With a Star in My Hand Margarita Engle 2020-02-18 "Exceptional." —Booklist (starred review) "Heartfelt...Thoughtful and effective." —The Horn Book "Engle's lyrical poetry emotionally conveys the reality of being a greatly gifted, passionate, and deeply ambitious young man in a turbulent time." —BCCB From acclaimed author Margarita Engle comes a gorgeous novel in verse about Rubén Darío, the Nicaraguan poet and folk hero who initiated the literary movement of Modernismo. As a little boy, Rubén Darío loved to listen to his great uncle, a man who told tall tales in a booming, larger-than-life voice. Rubén quickly learned the magic of storytelling, and discovered the rapture and beauty of verse. A restless and romantic soul, Rubén traveled across Central and South America seeking adventure and connection. As he discovered new places and new loves, he wrote poems to express his wild storm of feelings. But the traditional forms felt too restrictive. He began to improvise his own poetic forms so he could capture the entire world in his words. At the age of twenty-one, he published his first book *Azul*, which heralded a vibrant new literary movement called Modernismo that blended poetry and prose into something magical. In gorgeous poems of her own, Margarita Engle tells the story of this passionate young man who revolutionized world literature.

The Latin American Ecocultural Reader Jennifer French 2020-11-15 The Latin American Ecocultural Reader is a comprehensive anthology of literary and cultural texts about the natural world. The selections, drawn from throughout the Spanish-speaking countries and Brazil, span from the early colonial period to the present. Editors Jennifer French and Gisela Heffes present work by canonical figures, including José Martí, Bartolomé de las Casas, Rubén Darío, and Alfonsina Storni, in the context of our current state of environmental crisis, prompting new interpretations of their celebrated writings. They also present contemporary work that illuminates the marginalized environmental cultures of women, indigenous, and Afro-Latin American populations. Each selection is introduced with a short essay on the author and the salience of their work; the selections are arranged into eight parts, each of which begins with an introductory essay that speaks to the political, economic, and environmental history of the time and provides interpretative cues for the selections that follow. The editors also include a general introduction with a concise overview of the field of ecocriticism as it has developed since the 1990s. They argue that various strands of environmental thought—recognizable today as extractivism, eco-feminism, Amerindian ontologies, and so forth—can be traced back through the centuries to the earliest colonial period, when Europeans first described the Americas as an edenic "New World" and appropriated the bodies of enslaved Indians and Africans to exploit its natural bounty.

Azul Rubén Darío 2010-08-31 La publicación de *Azul*, primer libro de un escritor nicaragüense de veintiún años, se convirtió en el hito fundacional de la literatura modernista. Desde el enigmático título hasta la estructura de la obra, compuesta por cuentos y poemas, hacen de este volumen la obra más representativa del periodo modernista. Los críticos de la época aseguraban que, con este poemario, Rubén Darío había dado un nuevo sentido del ritmo y de la sonoridad a la lengua española.

Selected Poems of Rubén Darío Rubén Darío 2010-06-28 Toward the close of the last century, the poetry of the Spanish-speaking world was pallid, feeble, almost a corpse. It needed new life and a new direction. The exotic, erratic, revolutionary poet who changed the course of Spanish poetry and brought it into the mainstream of twentieth-century Modernism was Félix Rubén García Sarmiento (1867-1916) of Nicaragua, who called himself Rubén Darío. Since its original publication in 1965, this edition of Darío's poetry has made English-speaking readers better acquainted with the poet who, as Enrique Anderson Imbert said, "divides literary history into 'before' and 'after.'" The selection of poems is intended to represent the whole range of Darío's verse, from the stinging little poems of *Thistles* to the dark, brooding lines of *Songs of the Argentine and Other Poems*. Also included, in the Epilogue, is a transcript of a radio dialogue between two other major poets, Federico García Lorca of Spain and Pablo Neruda of Chile, who celebrate the rich legacy of Rubén Darío.

Azul-- Rubén Darío 2008 En esta obra fundamental para el desarrollo de la corriente modernista en el ámbito de las letras hispanas, RUBÉN DARÍO (1867-1916) aportó una nueva sensibilidad y una diferente concepción del arte, al tiempo que demostraba una extraordinaria capacidad para apropiarse y transformar en sustancia propia las influencias más variadas. Animada por una decidida voluntad de renovar la poesía castellana del momento, *AZUL...*, que inició la renovación modernista que había de culminar en «*Prosas profanas*» (L 5325) y «*Cantos de vida y esperanza*» (L 5332), tuvo una rápida repercusión en los países de habla hispana y supuso un fortísimo estímulo para los escritores de la segunda generación del modernismo hispanoamericano. A cargo de Arturo Ramoneda, la presente edición incorpora textos que figuran en la primera de la obra (Valparaíso, 1888) pero que se suprimieron en las posteriores, así como los textos, en español y en francés, que Darío añadió en la segunda (Guatemala, 1890). Se completa además con un apéndice y una completa y esclarecedora introducción.

I Promise to Be Good Arthur Rimbaud 2007-12-18 One of the most written-about literary figures in the past decade, Arthur Rimbaud left few traces when he abandoned poetry at age twenty-one and disappeared into the African desert. Although the dozen biographies devoted to Rimbaud's life depend on one main source for information—his own correspondence—a complete edition of these remarkable letters has never been published in English. Until now. A moving document of decline, Rimbaud's letters begin with the enthusiastic artistic pronouncements of a

fifteen-year-old genius, and end with the bitter what-ifs of a man whose life has slipped disastrously away. But whether soapboxing on the essence of art, or struggling under the yoke of self-imposed exile in the desert of his later years, Rimbaud was incapable of writing an uninteresting sentence. As translator and editor Wyatt Mason makes clear in his engaging Introduction, the letters reveal a Rimbaud very different from our expectations.

Rimbaud—presented by many biographers as a bohemian wild man—is unveiled as “diligent in his pursuit of his goals . . . wildly, soberly ambitious, in poetry, in everything.” *I Promise to Be Good: The Letters of Arthur Rimbaud* is the second and final volume in Mason’s authoritative presentation of Rimbaud’s writings. Called by Edward Hirsch “the definitive translation for our time,” Mason’s first volume, *Rimbaud Complete* (Modern Library, 2002), brought Rimbaud’s poetry and prose into vivid focus. In *I Promise to Be Good*, Mason adds the missing epistolary pieces to our picture of Rimbaud. “These letters,” he writes, “are proofs in all their variety—of impudence and precocity, of tenderness and rage—for the existence of Arthur Rimbaud.” *I Promise to Be Good* allows English-language readers to see with new eyes one of the most extraordinary poets in history.

Rubén Darío and the Romantic Search for Unity Cathy Login Jrade 2014-07-03 Modernism was the major Spanish American literary movement of the late nineteenth and early twentieth centuries. Leader of that influential movement was Rubén Darío, the Nicaraguan now recognized as one of the most important Hispanic poets of all time. Like the Romantics in England and the Symbolists on the Continent, Darío and other Modernists were strongly influenced by occultist thought. But, as the poet Octavio Paz has written, "academic criticism has ... preferred to close its eyes to the stream of occultism that runs throughout Darío's work. This silence damages our comprehension of his poetry." Cathy Login Jrade's groundbreaking study corrects this critical oversight. Her work clearly demonstrates that esoteric tradition is central to Modernism and that an understanding of this centrality clarifies both the nature of the movement and its relationship to earlier European literature. After placing Modernism in a broad historical and literary perspective, Jrade examines the impact of esoteric beliefs upon Darío's view of the world and the role of poetry in it. Through detailed and insightful analyses of key poems, she explores the poet's quest for solutions to the nineteenth-century crisis of belief. The movement that Ruben Darío headed brought Hispanic poetry into the mainstream of the "modern tradition," with its sense of fragmentation and alienation and its hope for integration and reconciliation with nature. *Rubén Darío and the Romantic Search for Unity* enriches our understanding of that movement

and the work of its leading poet.

Azul Rubén Darío 2021-08-10 *Azul... (1888)* is a book of stories and poems by Rubén Darío. Written while the poet was living in Chile, *Azul...* has been recognized as a pioneering work of Hispanic Modernism that launched the career of a leading Latin American poet. Both experimental and traditional, *Azul...* blends Darío's concern over the sustainability of modern life with his abiding interest in the myths and magic of ancient cultures. Infused with classical symbolism, inspired by the myth and philosophy of Ancient Greece, Rubén Darío's *Azul...* bridges the gap between ancient and modern. Rather than focus on the differences between the two, he envisions the past as a living entity, allowing history and fantasy to coincide with the social realities of his time. In these poems and stories, fairies from the plays of Shakespeare appear alongside the working men and women of Latin America. Dreams coincide with a reality mired in poverty, labor, and passionless social climbing. Poets and port workers sing and die in a city of ghostly beauty. *Azul...* is less a book than it is an experience, and nearly a century and a half after its publication it remains one worth the taking. With a beautifully designed cover and professionally typeset manuscript, this edition of Rubén Darío's *Azul...* is a classic of Nicaraguan literature reimagined for modern readers.

Songs of Life and Hope/Cantos de vida y esperanza Rubén Darío 2004-03-29 Renowned for its depth of feeling and musicality, the poetry of Rubén Darío (1867–1916) has been revered by writers including Federico García Lorca, Pablo Neruda, and Octavio Paz. A leading figure in the movement known as modernismo, Darío created the modern Spanish lyric and permanently altered the course of Spanish poetry. Yet while his output has inspired a great deal of critical analysis and a scattering of translations, there has been, until now, no complete English translation of any of his books of poetry. This bilingual edition of Darío’s 1905 masterpiece, *Cantos de vida y esperanza*, fills a crucial gap in Hispanic and world literature studies. Will Derusha and Alberto Acereda have provided not only an elegant English translation of Darío’s work but also an authoritative version of the original Spanish text. Written over the course of seven years and in many locales in Latin America and Europe, the poems in *Cantos de vida y esperanza* reflect both Darío’s anguished sense of modern life and his ecstatic visions of transcendence, freedom, and the transformative power of art. They reveal Darío’s familiarity with Spanish, French, and English literature and the wide range of his concerns—existential, religious, erotic, and socio-political. Derusha and Acereda’s translation renders Darío’s themes with meticulous clarity and captures the structural and acoustic dimensions of the poet’s language in all its rhythmic sonority. Their introduction places this singular poet—arguably the greatest to emerge from Latin America in modern literature—and his best and most widely known work in historical and literary context. An extensive glossary offers additional information, explaining terms related to modernismo, Hispanic history, mythological allusions, and artists and writers prominent at the turn of the last century.

Selected Writings (Dario, Ruben) Ruben Dario 2005-12-06 Born in Nicaragua, Rubén Darío is known as the consummate leader of the Modernista movement, an esthetic trend that swept the Americas from Mexico to Argentina at the end of the nineteenth century. Seeking a language and a style that would distinguish the newly emergent nations from the old imperial power of Spain, Darío’s writing offered a refreshingly new vision of the world—an artistic sensibility at once cosmopolitan and connected to the rhythms of nature. The first part of this collection presents Darío’s most significant poems in a bilingual format and organized thematically in the way Darío himself envisioned them. The second part is devoted to Darío’s prose, including short stories, fables, profiles, travel writing, reportage, opinion pieces, and letters. A sweeping biographical introduction by distinguished critic Ilan Stavans places Darío in historical and artistic context, not only in Latin America but in world literature. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. 7 Best Short Stories by James Joyce James Joyce 2019-04-29 James Joyce was an Irish, modernist writer who wrote in a ground-breaking style that was known both for its complexity and explicit content. He also participated in the early days of poetic modernism in the English language, being considered by Ezra Pound one of the most eminent poets of imagism. Although Joyce has lived outside his native Irish island for most of adult life, his Irish identity was essential to his work and provide him with all the ambiance and much of the theme of his work. His fictional universe is rooted heavily in Dublin and reflects his family life and events, friendships and enmities from school and college times. In this way, he is at the same time one of the most cosmopolitan and one of the most particularists of the modernist authors of English language. In this anthology the critic August Nemo presents seven short stories that bring the most emblematic elements of the style of this important author: The Sisters * Eveline * Araby * A Painful Case * The Dead * Two Gallants * After the Rac

Critical Approaches to Rubén Darío Keith Ellis 1974-12-15 Rubén Darío (1867-1916) of

Nicaragua was the leader of the important Latin American literary movement known as Modernism. He is considered by many to be the greatest poet in Latin American literature, and the volume of writings devoted to his work since 1884 is perhaps greater than that on any other writer in the history of Spanish American literature. The celebration in 1967 of the centenary of his birth gave rise to a formidable number of new analyses, increasing the need for the classification and assessment of the many studies. In this book Professor Ellis examines and evaluates the wide range of methods and perspectives available to the reader of Darío's works. He considers the biographical approach, social and political questions, influences and sources, structural analysis (providing three structural studies of his own), and, in an appendix, Darío's own concept of the role of the literary critic. His book is comprehensive both in time and in range, and includes an up-to-date bibliography. This is the first systematic study of the critical works on a Spanish American writer. It is significant not only in its treatment of the work on an individual author, but also as a reflection on and an indication of the trends, methods, and preoccupations of modern appraisals of Latin American writing.

Talking Books with Mario Vargas Llosa Raquel Chang-Rodriguez 2020-08 The essays included in Talking Books with Mario Vargas Llosa celebrate Mario Vargas Llosa's visits to the City College of New York, the creation of the Cátedra Vargas Llosa in his honor, and the interests of the Peruvian author in reading and books. This volume contains previously unpublished material by Vargas Llosa himself, as well as by novelists and literary critics associated with the Cátedra. This collection offers readers an opportunity to learn about Vargas Llosa's body of work through multiple perspectives: his own and those of eminent fiction writers and important literary critics. The book offers significant analysis and rich conversation that bring to life many of the Nobel Laureate's characters and provide insights into his writing process and imagination. As the last surviving member of the original group of writers of the Latin American Boom--which included Gabriel García Márquez, Carlos Fuentes, and Julio Cortázar--Vargas Llosa endures as a literary icon because his fiction has remained fresh and innovative. His prolific works span many different themes and subgenres. A combination of literary analyses and anecdotal contributions in this volume reveal the little-known human and intellectual dimensions of Vargas Llosa the writer and Vargas Llosa the man.

Ruben Dario Centennial Studies Miguel Gonzalez-Gerth 2014-07-03 Rubén Darío (1867-1916), the undisputed standard-bearer of the Modernist movement in Hispanic letters, was born in Nicaragua. In 1886 he went to Chile, where he published Azul (1888), his first important book of poems and stories. Later he lived for extended periods in Argentina, Spain, and France, and in these countries produced his best work: compelling poems of beauty, style, and dignity, especially Cantos de vida y esperanza (1905). The perfection of form, exotic essences, and rich ornamentation of his earlier work give way in his most mature poems to self-probings and doubts, the anguish so characteristic of twentieth-century literature. But the hedonistic note, the quenchless appetite for life, dominating Azul and Prosas profanas (1896) never die out, and are magnificently present in El poema del otoño (1910). Darío has had a tremendous impact on Hispanic literature. He is one of the best examples of the poet who is true to his art as determined by his innermost impulses. His poetry has fertilized a whole generation of writers in Spanish America and in Spain, and even now his influence continues to be felt.
