Work Less, Make More James Schramko 2017-12-10 In 2006, whilst working in a full-time job, James Schramko wrote this in a notebook: MY GOALS ... create automated income so that I am independently wealthy and enjoy my life passionately.Within three years, he'd built his own business and achieved those goals. At which point he set about helping his coaching clients do the same. Leveraging his knowledge and experience, they were able to make more money while reducing their work hours. Significantly. This freed them up to spend more time living.It's easy to think working less and making more is something available only to a blessed few. But James has proven over and over again that this is not the case. All you require is: - An open mind. - The ability to focus on what's important, - An understanding of business models, and- A willingness to challenge your assumptions.Work Less, Make More will break down all the barriers standing between you and the above.It will teach you how to effectively leverage yourself, your team and your business via: - Increasing your personal effectiveness- Planning and goalsetting- Learning focus and the power of 64:4- Building a team- Creating an offer that converts- Leveraging the Profit Formula to boost cash flow- Understanding the importance of Customer Lifetime Value- Choosing the right business model- Removing compromise from your lifeThis book is for you if you are: - A business owner (big or small)- Currently in a job with a hard ceiling on how much you can earn- Overworked and underpaid- Stressed out and missing out on precious time with family and friends.If you want to build a business that gives you financial peace of mind while allowing you to enjoy life NOW, not later ... Work Less, Make More will get you on your way. It will help ensure the business you're building will work for you, not the other way a

Happy Money Ken Honda 2019-06-04 Ken Honda—Japan’s #1 bestselling personal development guru—teaches you how to achieve peace of mind when it comes to money with this instant national bestseller. Too often, money is a source of fear, stress, and anger, often breaking apart relationships and even ruining lives. We like to think money is just a number or a piece of paper, but it is so much more than that. Money has the ability to smile, it changes when it is given with a certain feeling, and the energy with which it imbues us impacts not only ourselves, but others as well. Although Ken Honda is often called a “money guru,” his real job over the past decade has been to help others discover the tools they already possess to heal their own lives and relationships with money. Learn how to treat money as a welcome guest, allowing it to come and go with respect and without resentment; understand and improve your money EQ; unpack the myth of scarcity; and embrace the process of giving money, not just receiving it. This book isn’t to fix you, because as Ken Honda says, you’re already okay!

The Six-Figure Second Income David Lindahl 2010-09-07 Proven methods for building an online income stream You don't have to quit your current job, or already have piles of money, or be 24 years old, or riding a booming economy, in order to start a successful online business. The Six-Figure Second Income explains how to start or grow a business even when you think you have plenty of strikes against you. In the course of building an eight-figure real estate information marketing business, David Lindahl and Jonathan Rozek tested dozens of tools and techniques. This book is centered around principles they derived from all the tests they ran, tools they used, and money they spent. If you're tired of the gimmicks and skepticism that anyone can really succeed online, this book will give you the no-hype, no-nonsense advice you need.

The Ultraight Startup Jason L. Baptiste 2012-04-12 “When I was first starting out, I had to learn many things by trial and error, and I know I could have saved myself a lot of grief if someone had given me advice on what to do. I hope this book will help and inspire you to pursue your passion while avoiding some of the mistakes I made.” It’s easier than ever before to launch a startup. But in a world where barriers to entry are virtually nonexistent and everyone wants to be the next Facebook, competition is fierce. If you’re just beginning and lack the money and clout to make an automatic splash, how do you differentiate yourself from all the rest? Jason Baptiste knows firsthand what it takes. After launching his first company while still in college, he cofounded his current venture, Onswipe, in his early twenties, turning it into a multimillion-dollar company in less than a year. Now, drawing on his own experience as a bootstrapping but hungry entrepreneur, as well as on examples from today’s most famous companies, he guides would-be tech moguls through every stage of the process—from testing a concept to acquiring customers to determining the best pricing model—in a cheap, practical way. Among his strategies: • Build the product you wish you had: Foursquare founder Dennis Crowley created an early version of his product because he wanted to keep in touch with former colleagues. • It doesn’t have to be sexy to make money: Dropbox took the world by storm by offering a great solution to a mundane problem—online storage. • Be bold when promoting yourself: Online payment service WePay capitalized on dissatisfaction with industry leader PayPal by dumping six hundred pounds of ice in front of a developer conference. • Attract fans to attract customers: Budget tracking site Mint.com created its initial user base by offering original and useful content about personal finance. Baptiste shows you don’t need an MBA, a trust fund, or even experience running your own company to become a star in the tech world. The Ultraight Startup is a comprehensive, easy-to-follow guide that will prepare any entrepreneur to take his or her idea to the next level.

Burnout for Experts Sabine Bährer-Kohler 2012-11-11 Wherever people are working, there is some type of stress—and where there is stress, there is the risk of burnout. It is widespread, the subject of numerous studies in the U.S. and abroad. It is also costly, both to individuals in the form of sick days, lost wages, and emotional exhaustion, and to the workplace in terms of the bottom line. But as we are now beginning to understand, burnout is also preventable. Burnout for Experts brings multifaceted analysis to a multilayered problem, offering comprehensive discussion of contributing factors, classic and less widely perceived markers of burnout, coping strategies, and treatment methods. International perspectives consider phase models of burnout and differentiate between burnout and related physical and mental health conditions. By focusing on specific job and life variables including workplace culture and gender aspects, contributors give professionals ample means for recognizing burnout as well as its warning signs. Chapters on prevention and intervention detail effective programs that can be implemented at the individual and organizational levels. Included in the coverage: · History of burnout: a phenomenon. · Personal and external factors contributing to burnout. · Depression and burnout · Assessment tools and methods. · The role of communication in burnout prevention. · Active coping and other intervention strategies. Skillfully balancing scholarship and accessibility, Burnout for Experts is a go-to resource for health psychologists, social workers, psychiatrists, and organizational, industrial, and clinical psychologists.

The Reluctant Entrepreneur Michael Masterson 2012-06-26 Addresses the fears and misconceptions that many people have about starting a business by presenting strategies for success and avoiding the pitfalls that threaten fledgling companies.

Secrets of the Millionaire Mind T. Harv Eker 2009-10-13 Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

The Science of Getting Rich Wallace D Wattles 2020-04-13 Everyone wants to be rich, but do you know that there is a SCIENCE OF GETTING RICH. This book explains in simple steps how you can first ready yourself to earn more, without hassles or worries. From the simplest question of who all can actually get rich, to the small steps taken – like developing a will power, showing gratitude, getting into the right business – have been explained in detail, in everyday terms. Read on, and find out the secret behind changing your life and the way you earn.

Start Late, Finish Rich David Bach 2005-01-04 #1 NEW YORK TIMES BESTSELLER • Are you wondering if it is too late for you to be rich? David Bach has a plan to help you live and finish rich—no matter where you start As a number-one bestseller in its hardcover edition, Start Late, Finish Rich has helped hundreds of thousands of people of all ages take control of their financial future. Now you, too, can ramp up the road to financial security with David Bach’s inspiring, proven, and easy-to-follow “catch up” plan, which tailors his “Finish Rich” wisdom to those who forgot to save, procrastinated, or got sidetracked by life’s unexpected challenges. In a swift, motivating read, David Bach gives you step-by-step instructions, worksheets, phone numbers, and website addresses—everything you need to put your “Start Late” plan into place right away. You will learn that even if you’re buried in debt, there’s still hope. You can spend less, save more, and make more—and it doesn’t have to hurt. With America’s best-loved money coach at your side, it’s never too late to change your financial destiny.

The Automatic Millionaire: Canadian Edition David Bach 2009-05-29 Internationally bestselling financial advisor David Bach’s Automatic Millionaire promotes a revolutionary system for making even the most undisciplined money managers rich. The Automatic Millionaire shows readers how to change their financial practices and even their lives, the simple and automatic way. The book begins with a powerful story about an average Canadian couple — he’s a low-level manager, she’s a beautician — whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes debt-free, put two kids through college, and retire at fifty-five with more than \$1 million in savings. The incredible message Bach delivers is that the key to getting rich is “automating” the way to wealth by “paying yourself first,” using automatic funded retirement accounts and money market accounts to secure the future and pay for the present. A concise guide that’s a fixture on bestseller lists, The Automatic Millionaire introduces readers to a system that is powerful and simple — an automatically effective, life-changing system that delivers. Do it once, the rest is automatic.

Click Millionaires Scott Fox 2012-05-14 The new American Dream is doing work you love with the freedom and income to live the life you want. Thanks to the Internet, anyone can launch a business with little or no start-up capital or technical expertise. The rules have changed. The American Dream is no longer the “corner office.” It’s a successful lifestyle business you can run from your home, the beach, or wherever you desire. In this book, lifestyle entrepreneurship expert Scott Fox teaches weary corporate warriors and aspiring entrepreneurs how to trade the 9-5 job they hate for an online business they love. This guide explains how to combine outsourcing, software, and automated online marketing to build recurring revenues, all while working less and making fewer lifestyle compromises that corporate “success” requires. In Click Millionaires, you will learn how to: find a lucrative niche on the Internet that matches your interests and skills; choose an online business model: from blogs, online communities, digital delivery, online services, affiliate marketing and even physical products; position yourself as an expert; build your audience; design the lifestyle you want; and balance passion and profits to realize their personal definition of success. Featuring stories of dozens of “regular folks” who have reinvented themselves as “Click Millionaires”, this inspiring and practical guide shows you how to stop dreaming of a better life and start living it!

The Richest Man In Babylon George S. Clason 2021-09-04 The Richest Man in the Babylon. This book deals with the personal success of each of us. Success means results coming from our efforts and ability. A good preparation is the key to our success. So keep a part of what you earn with yourself. From the benefits of saving to the essentials of getting rich, this collection of educative Babylonian fables gives you timeless information on how to make money. It guides to getting rich, attracting good fortune and the five golden rules. As a guide to understanding hydro-wealth and a powerhouse has been inspiring readers for generations. You know that Babylon became the richest city of the ancient civilization because it had reserved part of its earnings for the future. That’s why citizens got everything they wanted. How can you always keep your wallet heavy, the author has taught very beautifully on this topic.

locations and artifacts important in their lives - along with pages from original manuscripts, first editions, and their correspondence. Trace the friendships, loves, and rivalries that inspired each individual and affected their writing, revealing insights into the larger-than-life characters, plots, and evocative settings that they created. You will also uncover details each writer’s most famous pieces and understand the times and cultures they lived in - see how the world influenced them and how their works influenced the world. Writers introduces key ideas, themes, and literary techniques of each figure, revealing the imaginations and personalities behind some of the world’s greatest novels, short stories, poems, and plays. A diverse variety of authors are covered, from the Middle Ages to present day, providing a compelling glimpse into the lives of the people behind the page.

Financial Freedom Grant Sabatier 2020-04-07 The International Bestseller “This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover.” —Lifehacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him “the Millennial Millionaire.” By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it’s obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you’ve ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: * Create profitable side hustles that you can turn into passive income streams or full-time businesses * Save money without giving up what makes you happy * Negotiate more out of your employer than you thought possible * Travel the world for less * Live for free—or better yet, make money on your living situation * Create a simple, money-making portfolio that only needs minor adjustments * Think creatively—there are so many ways to make money, but we don’t see them. But most importantly, Sabatier highlights that, while one’s ability to make money is limitless, one’s time is not. There’s also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to “retire” at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick—it’s a practical roadmap to living life on one’s own terms, as soon as possible.

e-Riches 2.0 Scott FOX 2009-05-27 Whether you’re running an online business or looking to expand the web presence of your brick-and-mortar company, you’ll need surefire marketing techniques if you want to attract more customers and make the kind of money you deserve. Living the 80/20 Way, New Edition Richard Koch 2011-02-22 Helps the reader to succeed personally as well as professionally, to make a good life as well as a living. *The Millionaire Next Door* Thomas J. Stanley 2010-11-30 How do the rich get rich? An updated edition of the “remarkable” New York Times bestseller, based on two decades of research (The Washington Post). Most of the truly wealthy in the United States don’t live in Beverly Hills or on Park Avenue. They live next door. America’s wealthy seldom get that way through an inheritance or an advanced degree. They bargain-shop for used cars, raise children who don’t realize how rich their families are, and reject a lifestyle of flashy exhibitionism and competitive spending. In fact, the glamorous people many of us think of as “rich” are actually a tiny minority of America’s truly wealthy citizens—and behave quite differently than the majority. At the time of its first publication, *The Millionaire Next Door* was a groundbreaking examination of America’s rich—exposing for the first time the seven common qualities that appear over and over among this exclusive demographic. This edition includes a new foreword by Dr. Thomas J. Stanley—updating the original content in the context of the financial crash and the twenty-first century. “Their surprising results reveal fundamental qualities of this group that are diametrically opposed to today’s earn-and-consume culture.” —Library Journal

Click Millionaires Scott C. Fox 2012 Teaches the design principles that can be used to launch an online business that can be fulfilling and enjoyable.

The Entrepreneur Mind Kevin D. Johnson 2015-12-07 100 Essential Beliefs, Characteristics and Habits of Elite Entrepreneurs What Every Successful Entrepreneur Knows But Won’t Tell You Achieve unimaginable business success and financial wealth. Reach the upper echelons of entrepreneurs, where you’ll find Mark Zuckerberg of Facebook, Sara Blakely of Spanx, Mark Pincus of Zynga and many others. Lessons include how to think big, who makes the best business partners, what captivates investors, when to abandon a business idea, where to avoid opening a business bank account, and why too much formal education can hinder your entrepreneurial growth. Smart and insightful, *The Entrepreneur Mind* is the ultimate primer on how to think like an entrepreneur. KEVIN D. JOHNSON, president of Johnson Media Inc. and a serial entrepreneur, has several years of experience leading his multimillion-dollar marketing and communications company that now serves many of the most notable Fortune 100 businesses.

Quit Like a Millionaire Kristy Shen 2019-07-09 From two leaders of the FIRE (Financial Independence, Retire Early) movement, a bold, contrarian guide to retiring at any age, with a reproducible formula to financial independence A bull****-free guide to growing your wealth, retiring early, and living life on your own terms Kristy Shen retired with a million dollars at the age of thirty-one, and she did it without hitting a home run on the stock market, starting the next Snapchat in her garage, or investing in hot real estate. Learn how to cut down on spending without decreasing your quality of life, build a million-dollar portfolio, fortify your investments to survive bear markets and black-swan events, and use the 4 percent rule and the Yield Shield—so you can quit the rat race forever. Not everyone can become an entrepreneur or a real estate baron; the rest of us need Shen’s mathematically proven approach to retire decades before sixty-five.

Work Less, Live More Bob Clyatt 2005 Clyatt backs up his advice on investing and spending during retirement with solid academic research. - San Diego Union-Tribune - "Terrific advice on how to safely reach semi-retirement while still in the prime of life." - Mark Goines. - early semi-retiree & Intuit veteran - "Sections on developing a retirement portfolio and a withdrawal strategy are certainly valuable for those who have already retired." - Lynn O'Shaughnessy,- author of The Retirement Bible and The Investment Bible

The Glass Castle Jeannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children’s imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn’t stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Baby Steps Millionaires Dave Ramsey 2022-01-11 You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That’s when he set out to learn God’s ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In Baby Steps Millionaires, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you Baby Steps Millionaires isn’t a book that tells the secrets of the rich. It doesn’t teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you’ll lead if you follow the Baby Steps is anything but boring! You don’t need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it’s game on!

How to Become Filthy, Stinking Rich Through Network Marketing Mark Yarnell 2012-02-10 A contemporary approach to network marketing—from the author of the million-copy bestseller, *Your First Year in Network Marketing* This is a book about reality—an unpleasant reality that no one seems to want to address. A large number of the population was hit with substantial loss of income and savings during the recent economic meltdown. Many feel that they have no way to build back their savings in order to retire comfortably and securely. Many now believe that there just isn’t enough time left to turn it around. How to Become Filthy, Stinking Rich Through Network Marketing is for those who refuse to accept this nonsense. With such a confusing array of home business opportunities and so many millions caught in the financial meltdown, there has never been a more important time for due diligence and a proven path to follow. In *How to Become Filthy, Stinking Rich Through Network Marketing* you will learn how to: Select the right networking company based on expert advice and solid criteria Thrive as an entrepreneur Deal with fear, rejection, inertia, and naysayers Build professional habits that drive success Lead, motivate, and serve your team Recruit with rejection-free strategies Learn how to develop an entrepreneurial spirit through network marketing in order to build dramatic prosperity today.

Get Rich Click! Marc Ostrofsky 2013-01-08 A mainstream release of a previously self-published best-seller, written by a successful internet traffic developer best known for his record-breaking sale of the Business.com domain name, shares a wealth of insights, tips and strategies for using online resources to build wealth rapidly.

Millionaire Teacher Andrew Hallam 2017-01-04 Adopt the investment strategy that turned a school teacher into a millionaire Millionaire Teacher shows you how to achieve financial independence through smart investing — without being a financial wizard. Author Andrew Hallam was a high school English teacher. He became a debt-free millionaire by following a few simple rules. In this book, he teaches you the financial fundamentals you need to follow in his tracks. You can spend just an hour per year on your investments, never think about the stock market’s direction — and still beat most professional investors. It's not about get-rich-quick schemes or trendy investment products peddled by an ever-widening, self-serving industry; it's about your money and your future. This new second edition features updated discussion on passive investing, studies on dollar cost averaging versus lump sum investing, and a detailed segment on RoboAdvisors for Americans, Canadians, Australians, Singaporeans and British investors. Financial literacy is rarely taught in schools. Were you shortchanged by your education system? This book is your solution, teaching you the ABCs of finance to help you build wealth. Gain the financial literacy to make smart investment decisions Learn why you should invest in index funds Find out how to find the right kind of financial advisor Avoid scams and flash-in-the-pan trends Millionaire Teacher shows how to build a strong financial future today.

SUMMARY - Click Millionaires: Work Less, Live More With An Internet Business You Love By Scott Fox Shortcut Edition 2021-06-18 * Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. As you read this summary, you will discover that charisma is a factor of success. You will also discover : that it is possible to learn how to become influential; that only a positive influence is really effective; that your success depends on listening and understanding the needs of others; that you will always be the primary beneficiary of your ability to focus on others; that your charisma can also lead others to their own success. Why become a person of influence? Because, unless you live on a desert island, you spend your life in contact with others. For the exchange between beings to be effective, it must be favorable to all. Do you want to motivate your employees on a long-term basis? Do you want to broaden your customer base? or do you want to promote your child’s development? It is by becoming the driving force behind a win-win contact with the people around you that you will be able to achieve your goals. So, this is surely the right time to learn how to become a person of influence! *Buy now the summary of this book for the modest price of a cup of coffee!

The Social Capitalist Josh Lannon 2013-02-28 Social Entrepreneur is a book about how two ordinary people turn a huge social problem into a solution, not only for themselves but for thousands of others. From Nightclub Owner (Josh) and Law Enforcement Officer (Lisa) to Social Entrepreneurs of Journey Healing Centers (accredited private drug and alcohol treatment centers). They turned their lives around and are building businesses that bring families back together again (by using the Rich Dad principles). Businesses are evolving to a higher purpose, the why we do what we do. Like the movements across the world and in our own backyards (occupy wall street) people want purpose in their lives. They want to be a positive contribution. We are in the next Mega Trend of a social movement.

The Millionaire Fastlane MJ DeMarco 2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly

riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions...

Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

Free Food for Millionaires Min Jin Lee 2007-07-02 In this One Book, One New York 2019 nominee from the author of National Book Award Finalist Pachinko, the Korean-American daughter of first-generation immigrants strives to join Manhattan's inner circle. Meet Casey Han: a strong-willed, Queens-bred daughter of Korean immigrants immersed in a glamorous Manhattan lifestyle she can't afford. Casey is eager to make it on her own, away from the judgements of her parents' tight-knit community, but she soon finds that her Princeton economics degree isn't enough to rid her of ever-growing credit card debt and a toxic boyfriend. When a chance encounter with an old friend lands her a new opportunity, she's determined to carve a space for herself in a glittering world of privilege, power, and wealth-but at what cost? Set in a city where millionaires scramble for the free lunches the poor are too proud to accept, this sharp-eyed epic of love, greed, and ambition is a compelling portrait of intergenerational strife, immigrant struggle, and social and economic mobility. Addictively readable, Min Jin Lee's bestselling debut Free Food for Millionaires exposes the intricate layers of a community clinging to its old ways in a city packed with haves and have-nots.

Secret Conversations with Internet Millionaires Robert Plank 2013-02-12 ATTENTION: You have just been granted special access to be a fly on the wall and spy in 10 private conversations with people who have the following in common: 1. Every single person in this book has generated over ONE MILLION DOLLARS in online sales 2. They didn't inherit the money. Instead, each person built an online business from scratch, from humble beginnings, stumbled at several obstacles, but thanks to an overwhelming desire to meet their goals, course-corrected their way to success 3. Whether it was through software, seminars, services, affiliate marketing, or information products -- each person found a way to channel their passion to a side business, remove the 80% that didn't work, and scale up the 20% that remained into a full time income 4. Each person you'll hear from found a way to move outside their comfort zone -- and use tools like paid advertising, public speaking, list building, social media, or joint venture to generate traffic and put that business on autopilot 5. All the interviewees listed here are so enthusiastic about their business that they freely share what's working for them -- there's nothing left out, there are no "half baked" action plans, and there are no "closed door" secrets. It's all laid out in the open for you in this guide and it's up to you to apply them Although you might not be a PHP programmer like Robert Plank, a list builder like Lance Tamashiro, a product creator like Kevin Riley, an internet marketer like Willie Crawford, an affiliate marketer like Jason Parker, a business builder like Stu McLaren, a copywriter like Ryan Healy, a strategist like Ray Edwards, a speaker like David Cavanagh, or a teacher like Armand Morin... you can definitely apply the techniques explained here in your own business and everyday life.

Tax the Rich! Morris Pearl 2021-04-13 A powerfully persuasive and thoroughly entertaining guide to the most effective way to un-rig the economy and fix inequality, from America's wealthiest "class traitors" Most American people believe the economy is rigged against them. And they're right. So how do you "un-rig" the economy? You start with the tax code. In 2017, Republican lawmakers rewrote the entire federal tax code, deliberately and permanently rigging the economy against working people in favor of the political donor class. In Tax the Rich! Morris Pearl, the millionaire chair of the Patriotic Millionaires, and Erica Payne, the organization's founder, take readers on an insider's tour of the nation's tax code and show how the rich (and the politicians they control) structured the tax code to make themselves even richer. They explain how to un-rig the economy through the tax code to reverse America's ever-growing and dangerously destabilizing concentration of wealth and power. Conversational and punchy chapters such as "Their Money vs. Your Sweat," "Economic Jenga," and "When a Dollar Is Not Actually a Dollar," feature charts, infographics, cartoons, and sidebars. They show exactly how we should tax wealthy individuals and corporations, focusing on existing mechanisms like marginal income tax and capital gains, loopholes to eliminate, and new methods of taxation, such as a wealth tax, that could be used to achieve a fairer system. A final section debunks common tax myths, offering crucial information to push back against Fox News and opponents on the right. In the wake of the economic devastation of COVID-19, never have the arguments in this book been more timely—or more critical. And who better to pull back the curtain on all the ways that the wealthy avoid paying taxes, and deprive the state of essential resources, than the rich themselves?

Zero to One Peter Thiel 2014-09-16 #1 NEW YORK TIMES BESTSELLER • “This book delivers completely new and refreshing ideas on how to create value in the world.”—Mark Zuckerberg, CEO of Meta “Peter Thiel has built multiple breakthrough companies, and Zero to One shows how.”—Elon Musk, CEO of SpaceX and Tesla The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In Zero to One, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of technological stagnation, even if we're too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in any industry or area of business. It comes from the most important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. Tomorrow's champions will not win by competing ruthlessly in today's marketplace. They will escape competition altogether, because their businesses will be unique. Zero to One presents at once an optimistic view of the future of progress in America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places.

Live Like a Millionaire (Without Having to Be One) Vicky Oliver 2015-01-13 The wealthier few get invited to glitzier parties, live in swankier homes, drive faster cars, and date hotter people. But why should life's perks accrue to only the fantastically rich? In a world where social standing is determined by perception, Live Like a Millionaire (Without Having to Be One) will show you what it takes to mingle with millionaires, party with plutocrats, and attain the lavish lifestyle on a stipend. Vicky Oliver will teach you how to:Dress to impress, even if the emperor (you) has no clothes.Skimp on the items no one will notice anyway.Achieve millionaire hair for pennies.Develop frugalista fashion flair. Amass a \$64 million vocabulary.Use your conversational charm and social media moxie to schmooze your way into the Inner Circle.Attain the trappings of luxury?no matter your net worth!

40 Rules for Internet Business Success Matthew Paulson 2014-07-05 Matthew Paulson, Founder of Analyst Ratings Network, Lightning Releases and GoGo Photo Contest, has weathered the failures and triumphs of being an entrepreneur for nearly a decade to create his own seven-figure Internet business. 40 Rules for Internet Business Success is his collection of core principles and strategies he used to grow his business.

Launch (Updated & Expanded Edition) Jeff Walker 2021-07-27 From the creator of Product Launch Formula: A new edition of the #1 New York Times best-selling guide that's redefined online marketing and helped countless entrepreneurs make millions. The revised and updated edition of the #1 New York Times bestseller Launch will build your business - fast. Whether you've already got an online business or you're itching to start one, this is a recipe for getting more traction and a fast start. Think about it: What if you could launch like Apple or the big Hollywood studios? What if your prospects eagerly counted down the days until they could buy your product? And you could do it no matter how humble your business or budget? Since 1996, Jeff Walker has been creating hugely successful online launches. After bootstrapping his first Internet business from his basement, he quickly developed a process for launching new products and businesses with unprecedented success. And once he started teaching his formula to other entrepreneurs, the results were simply breathtaking. Tiny, home-based businesses started doing launches that brought in tens of thousands, hundreds of thousands, and even millions of dollars. Whether you have an existing business or you're starting from scratch, this is how you start fast. This formula is how you engineer massive success. Now the question is this: Do you want to start slow, and fade away from there? Or are you ready for a launch that will change the future of your business and your life?

The Entrepreneur's Solution Mel H. Abraham 2015-02-24 "The Entrepreneur's Solution" introduces the "Business Mastery Blueprint" and the concept of sustainable success--the new model for thriving in the twenty-first century, which replaces the old standard "model of mediocrity." New-millennium companies are blazing a very different path to an achievable and sustainable future. But what is the mind-set behind the methodology? In these pages, the potential entrepreneurs learn exactly "what it takes" to live a rich life on every level. The "Nine Entrepreneurial Essentials" that make up the "Three Elements of the Entrepreneurial Mind-Set", from the moment they are put into practice, become a game changer in growing a business and a meaningful life.

Everyday Millionaires Chris Hogan 2019 Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction
