The Great Adventures of Hotdog Man David Lee Baer 2017-05-21 Several years had passed since Hotdog Man had perished by the hands of General Gouda, the world went back to an era of peace and tranquility. During this time, Hotdog Man was in another dimension, a world of the spirits, where he was in a war with the demonic Dr. Mustard and his army of ghost soldiers. Meanwhile, in the land of the living, Hotdog Jr, had grown up into a mild manner teenager. The Eyno Gems had been destroyed, leaving our heroes unable to access their incredible powers. Spice Town didn't have evil terrorizing them anymore, the residents had nothing to fear, but soon that would change. As the wicked Master Mizuna had grown up despising what had happened to his Uncle, Dr. Mustard, now with his army of minions, he was ready for revenge.

Art as Adventure Rosemary O'Neill 2018-07-26 This volume represents a collection of six essays written by artists and art historians about journeys to places and methods of practice that challenge perceived taxonomies. The artist as traveler has deep historical precedents as contemporary art production today, and has historically followed political, economic, and cultural expansion. The role of the artist as witness, reporter, geographer, collector, and educator exemplifies the significance of mobility, geographic and cultural mediation in the productions of art and visual culture, and the critical questions raised as

a result. The book encompasses a variety of perspectives on how artist-travelers have embraced and contextualized the places, people, cultures and overall experiences encountered on their journeys. Each chapter unveils different and unique approaches which artists have taken in reacting and creating as part of a journey in which they are often the outsiders to the culture and place. Visual mappings conveying geolocative walking data, recreations of indigenous ritual as installation, participatory video installations uncovering community perspectives, and a reflective diary about walking across lands affected by natural disaster are some of the ways these artists and historians examine the experiences the artists have encountered abroad. Each piece is completely unique, yet united in the act of journey and pursuit of alternative narrative born of the experience.

Whole Brian Seth Hurst 2012-10-14 What do you do after life has handed you a wake-up call? Author Brian Seth Hurst experienced a significant professional setback, but, rather than "soldier on," he recognized it as a profound opportunity to acknowledge a deeper foundation at work in his life. It is the affirmation that there is sheer power in what one believes, and, for better or worse, those beliefs are the foundation for the reality we create. The question of "Why?" began a thirty-day inquiry and adventure for Hurst into the unknown. The result is the book **W H O L E** - a collection of powerful essays that examine how

beliefs serve, or do not serve, us in our lives, how those beliefs can be transformed to change our circumstances, and the power of the ultimate connection to Source. What do you do after life has handed you a wake-up call? If you decide to remain awake, then you begin looking at your life. W H O L E is your companion as you review the past, balance all areas of your life, and begin to create anew. W H O L E prompts a very personal, progressive, and conscious examination of concepts and belief systems in every area of your life, ranging from relationships, work and time, to money, the environment, morality and your purpose. It asks provocative and thoughtful questions that lead to understanding. How do you reconcile everything that has happened and is happening in your life with the one you truly want? The good and the bad, the joy and the hurt, the wins and the losses - all those parts form the experience of your life and your identity. Yet, you are much greater than the sum of all those parts. W H O L E allows you to make sense of the pieces of your life as part of the greater being that is You. W H O L E presents you with the opportunity to reconcile the past, arrive wholly connected in the present, and create your future. W H O L E literally answers the question, "What was I thinking?" "To know "whole" in the duality of your reality, you must know broken. To know broken is to recognize that you are, always have been, and always will be WHOLE."

Is This Poetry? Ashley Garcia 2017-06-29 In her debut, Ashley Garcia explores themes of love, feminism, and struggling with mental illness as a young woman in today's era. Use It Or Lose It Dana Burnett 2021-05 Pathways to Healthy Living - The Incredible, True Adventures of Lew Hollander, a Senior International Triathlete. He's a Senior Ironman known around the world. There is perhaps no single human event that teaches us so much about being in our bodies, being at our best, knowing what it really means to be human, than sports. But in this incredibly complex time we're living in, there are not as many role models for healthy and vital aging as there possibly could be.

The Cairo Vendetta Ernest Dempsey 2016-06-17 Sometimes a terrorist threat comes from the least expected place. Beyond the plains of the Serengeti, in the distant shadows of Kilimanjaro, a new new evil has risen. A warlord is building an army with child soldiers he abducted from Tanzanian towns. But the threat he poses isn't just to East Africa. Somehow this rebel has acquired powerful missiles armed with enough nerve gas to wipe out entire cities. Join the adventure in this exhilarating prequel to the series with Government Agent Sean Wyatt and his partner Emily Starks as they travel to Tanzania to foil a warlord's evil scheme and bring his reign of terror to an end, but what they find is that there is more to the mission than they first believed. Go back in time to the years just after the tragic events of 9/11. Follow Sean, Emily, and Tommy Schultz as they race against the clock to figure out who is pulling the strings behind a wicked plan that could bring the world to its knees. Grab this exhilarating thrill-ride now and see why readers are saying Ernest Dempsey is one of the best voices in this genre.

The Pants Of Perspective Anna McNuff 2020-09-14 "When I ran, I ran for pleasure. I didn't run for times, to win, to impress: I ran for me. When I ran my bum cheeks rubbed together, so much so that if I was going on a long run I'd have to 'lube up'. I maintained that I was not a 'real' runner - I just liked to run so that I could eat cake." Anna was never anything like those 'real' runners on telly - all spindly limbs, tiny shorts and split times - but when she read about New Zealand's 3,000-kilometre-long Te Araroa Trail, she began to wonder... perhaps being a 'real' runner was overrated. Maybe she could just run it anyway? Travelling alone through New Zealand's backcountry for 148 days, she scrambled through forests, along ridge-lines, over mountain passes, along beaches and across swollen rivers. Running up to 52 kilometres in a day, she slept wild most nights, and was taken into the homes and hearts of the kiwi people in between. The Pants of Perspective is a witty, colourful and at times painfully raw account of a journey to the edge of what a woman believes herself to be capable of. It is a coming-of-age story which will lead you on a roller coaster ride through fear, vulnerability courage and failure. For anyone who has ever dreamt of taking on a great challenge, but felt too

afraid to begin - this story is for you.

It Doesn't Matter Which Road You Take Vincent Yanez 2007-11 After college, Vincent Yanez with his friend Chris decide to meander across Europe in search of the meaning of life, the perfect gelato and a nice place to lay their heads. During their adventures, the lads find themselves locked in a Scottish dungeon, being serenaded by Placido Domingo and have their passports taken by the Czech authorities as they are caught in an attempt to sneak into Prague. They discover that Vincent Van Gogh is not only alive, but managing a small hotel in Holland, accidentally wander into the middle of a Nazi-rally, and little by little discover that remarkable things await around every corner, down every avenue. They learn that when you are open to the possibility of adventure it doesn't matter which road you take.

Pathways to Stillness Gary Irwin-Kenyon 2016-07-14 This book is about stillness: What it is. How you can find it. Where it hides itself. Why it is necessary to your life. It is a beginner's guide, because with stillness, no experience is necessary. Besides, you are always a beginner in any case,

because when it is present, there truly is nothing to do and nowhere to go. This book is also about learning to appreciate wandering or meandering along life's pathways. It does not contain "Six easy steps to wisdom and immortality." Rather, it offers a way to approach your journey, which you then create and discover on your own, with help! You are invited to find a Pathway to Stillness that fits "your" life. On this pathway, you often cannot see what is around the next bend. However, you need only show up for it to become a journey of curiosity, wonder, and more life. You may come to agree with the phrase, "All who wander are not lost." Although this is a book about slowing down to stillness, it is a "pickup-and-go" book that can be read in short segments within a busy life. The stillness stories and the easy to learn relax-into-stillness movements can be enjoyed in any order that suits you. You can linger with those that speak to you the most. With this book, you can practise stillness while waiting for an appointment, before going to sleep, or whenever you can steal some time for yourself....

American Civil War: The Definitive Encyclopedia and Document Collection [6 volumes] Spencer C. Children's Literature Collections Keith O'Sullivan 2017-05-19 This book provides scholars, both national and international, with a basis for advanced research in children's literature in collections. Examining books for children published across five centuries, gathered from the collections in Dublin, this unique volume advances causes in collecting, librarianship, education, and children's literature studies more generally. It facilitates processes of discovery and recovery that present various pathways for researchers with diverse interests in children's books to engage with collections. From book histories, through bookselling, information on collectors, and histories of education to close text analyses, it is evident that there are various approaches to researching collections. In this volume, three dominant approaches emerge: history and canonicity, author and text, ideals and institutions. Through its focus on varied materials, from fiction to textbooks, this volume illuminates how cities can articulate a vision of children's literature through particular collections and institutional practices.

Pathways Mercedes Lackey 2017-12-05 The eleventh anthology of short stories set in Mercedes Lackey's beloved Valdemar universe features stories by debut and established authors and a brand-new story from Lackey herself The Heralds of Valdemar are the kingdom's ancient order of protectors. They are drawn from all across the land, from all walks of life, and at all ages—and all are Gifted with abilities beyond those of normal men and women. They are Mindspeakers, FarSeers, Empaths, ForeSeers, Firestarters, FarSpeakers, and more. These inborn talents—combined with training as emissaries, spies, judges, diplomats, scouts, counselors, warriors, and more—make them indispensable to their monarch and realm. Sought and Chosen by mysterious horse-like Companions, they are bonded for life to these telepathic, enigmatic creatures. The Heralds of Valdemar and their Companions ride circuit throughout the kingdom, protecting the peace and, when necessary, defending their land and monarch. Now, twenty-three authors ride with Mercedes Lackey to her magical land of Valdemar, adding their own

unique voices to the Heralds, Bards, Healers, and other heroes of this beloved fantasy realm. Join Janny Wurts, Elisabeth Waters, Michele Lang, Fiona Patton, and others in twenty-four original stories, including a brand-new novella by Mercedes Lackey, all set in Valdemar, where: A young woman without any of the Heralds' Gifts must see a Companion safely delivered to Haven.... A Herald must revisit the mysteries of his childhood to save his own young family and combat a threat at the very heart of Valdemar.... A Hawkbrother flees for his life, trailed by a mysterious bird that prophesizes a dire future.... A mage must choose whether to steal a priceless artifact and be branded a thief and traitor, or let his country fall to magic that could prove far more deadly....

The Road to Shenzhen Huang Guosheng 2017-11-15 It is the early 1990s and Zhou Haonan, an innocent young man from a rural family in China's

West Canton Province, travels to the 'golden city' of Shenzhen to seek his fortune. Kind and caring but highly ambitious, he works as an international businessman, becomes a Sanda boxing champion and even sells his blood as he spends the next 20 years striving desperately to achieve his dream of a Shenzhen permanent residence permit and a home of his own. Despite a string of humiliating failures and disasters and cruel treatment by the women who enter his life, he somehow manages to get back on his feet and carry on through all the setbacks which life throws at him. *The Road to Shenzhen* is one of very few novels ever to be written in English by a Chinese author who has lived all his life in China.ÿ

The Essential Wayne Dyer Collection Wayne W. Dyer, Dr. 2013-09-24

The #1 New York Times best-selling author Wayne Dyer has been inspiring people to change their lives for many years. Now three of his most fascinating books are collected in this single volume: • *The Power of Intention* details Wayne's research on intention as a force in the universe that allows the act of creation to take place. He explains that it is not something we do, but rather an energy we're a part of. This is the first book to look at intention as a field of energy that we can access to begin co-creating our lives. • *Inspiration* dissects feelings of emptiness, the idea that there must be something more, and trying to determine the meaning of life . . . all evidence of a yearning to reconnect with our soul space. This book explains how we've chosen to enter this world of particles and form, and each chapter is filled with specifics for living an inspired life. From a very personal viewpoint, Wayne offers a blueprint through the world of Spirit to inspiration, our ultimate calling. • *Excuses Begone!* reveals how to change the self-defeating thinking patterns that have prevented us from living at the highest levels of success, happiness, and health. Wayne presents many of the conscious and subconscious crutches most of us employ, along with ways to cast them aside once and for all. The old, habituated ways of thinking will melt away as the absurdity of hanging on to them is exposed, and we ultimately come to realize that there are no excuses worth defending—ever. The Essential Wayne Dyer Collection is a must-read for those wanting to explore the

power and potential of the human mind, as well as anyone who is finally ready to live the best life possible!
