**Amy's Best Friend, Prayers of a Child** Ernie Rosenberg 2012-09-01  
The prayers of 6-year old Amy to her very best friend, God. God really is Amy's best friend and she treats Him that way. She brings Him a cupcake for his birthday, helps Him out with His problems, asks to become His assistant, and even takes objection to the creation. Why is

fun so important? Because it is an avenue to God that is so very, very natural to small children. It gives small children (age 3-6) spirituality with a smile, a great big smile through the practice of nighttime prayer. "Amy's Best Friend, Prayers of a Child" comprises a personal introduction from Amy followed by 14 illustrated prayers, and finally special pages to record a child's own prayers. The book is non-denominational. "Amy's Best Friend" is accompanied by two fun books to support your child's practice of prayer. First, there is a coloring book giving your child hours of fun coloring in the same prayers you have read to him/her. Second, after all the pages at the end of "Amy's Best Friend, Prayers Of A Child" have been filled with your child's own prayers, a prayer journal is available under the name "Amy's Best Friend, Prayers of A Child: My Prayers." All books plus the Kindle ebook are available from my authors page: <http://www.amazon.com/author/amyamos>.

[Big Chinese Coloring Book for Little Hands](#) Yang Yang 2019-10-25 [www.bigchineseworkbook.com](http://www.bigchineseworkbook.com) Big Chinese Workbook for Little Hands is the No.1 book series recommended by teachers and linguists in the

United States for kids to learn Chinese character writing. Big Chinese Coloring Book for Little Hands is a sister series that is designed for kids who start to learn the Chinese language at a very young age in an English-speaking country/region. Completion of Big Chinese Coloring Book at the Pre-school level (for kids 3+) is a pre-requisite for using the pre-kindergarten book (for kids 4+). This book will teach your little ones to read 50 basic Chinese characters in addition to the 36 most basic characters that were taught in the pre-school level. Most of these characters selected are pictographs or ideographs which derive from pictures. An ancient script is also used as an aide to help kids associate the meaning with each character. Kids will learn through activities that they are familiar with, such as coloring, drawing, cutting and matching, etc. Each page also comes with a sound recording that kids can listen to by scanning the QR code with a phone or a tablet. After completion of this book, your child should be ready to move on to the next level (Kindergarten) , will read more words and start tracing and writing Chinese characters! This book series uses simplified characters.
