**Maggie Bean Stays Afloat** Tricia Rayburn  
2009-10-27 Here's what's new with Maggie Bean: At the end of her tumultuous year, Maggie Bean is a very happy, healthy girl. After months of Pound Patrollers attendance, diet, and tough swim workouts, the scale now reads 150. But Maggie isn't resting on her laurels - she's got a

busy summer ahead. Not only is Maggie spearheading a Pound Patrollers kids' program but she gets a junior camp counselor job at Camp Sound View. Camp Sound View is a whole new world for Maggie. She works with kids from other schools who don't know her, or what she looked like a year ago. Everyone's friendly, boys treat her like a real girl, and Maggie is mesmerized!

The experience is something she knows never would've been possible the summer before. Wounded by Peter's recent rejection and flattered by the unexpected attention, Maggie immerses herself in everything Camp Sound View has to offer. Her confidence grows, and before long she's cracking jokes and initiating conversation without worrying (much) about what people think. It's all fun and games until Maggie becomes so involved, people (Aimee, Arnie and her family) feel neglected. Will Maggie sacrifice old friends for new ones? Will she change what's on the inside as people respond to her changed outside? Can she blend her two worlds together? And will all this tension send her seeking solace in old habits?

*Fear the Drowning Deep* Sarah Glenn Marsh

2016-10-11 Some secrets are better left at the bottom of the ocean. Sixteen-year-old Bridey Corkill longs to leave her small island and see the world; the farther from the sea, the better. When Bridey was young, she witnessed something lure her granddad off a cliff and into a watery grave with a smile on his face. Now, in 1913, those haunting memories are dredged to the surface when a young woman is found drowned on the beach. Bridey suspects that whatever compelled her granddad to leap has made its return to the Isle of Man. Soon, people in Bridey's idyllic village begin vanishing, and she finds an injured boy on the shore—an outsider who can't remember who he is or where he's from. Bridey's family takes him in so he can rest and heal. In exchange for saving his life, he teaches Bridey how to master her fear of the water—stealing her heart in the process. But something sinister is lurking in the deep, and Bridey must gather her courage to figure out who—or what—is plaguing her village, and find a way to stop it before she loses

everyone she loves. Need Carrie Jones 2009-04-01 Zara collects phobias the way other high school girls collect lipsticks. Little wonder, since she's had a pretty rough life. Her father left when she was a baby, and her stepfather just died. Her mother's pretty much checked out - in fact, Mom's sent her to live with her grandmother in cold and sleepy

Maine to "keep Zara safe." Whatever that means. Zara doesn't think she's in danger; she thinks her mother just can't deal. Zara's wrong. The man she sees everywhere - the tall creepy guy who points at her from the side of the road - yeh, he's not a figment of her imagination. He's a pixie. And not the cute, sweet kind with little wings. Maine's got a whole assortment of unbelievable creatures, like pixies and were-people. And they seem to need something - something from Zara... *Orchestrating Public Opinion* Paul Christiansen 2017-12-21 Analysis of political advertising tends to give music short shrift--which flies in the face of what we know about the power of music to set a mood, affect feelings, and influence our

perceptions. This book is the first to offer a detailed exploration of the role of music in US presidential campaign advertising, from Eisenhower to the present, showing that in many cases music isn't simply one element in the presentation of an ad's message--it's the dominant factor, more important than images, words, or narration.
