American Government Glen Krutz 2016-07-14 "Published by OpenStax College, American Government is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them. Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project."--BC Campus website.

How to Change Someone's Mind Mike Slater 2017-07-17 Have you ever convinced a family member to change their vote over the Thanksgiving dinner table? Have you managed to change someone's mind on any important topic? I have not. Until I learned the secret.This book is not about how to win arguments. After ten years of talk radio, I've learned how to do that: talk louder and sound more confident. But it was only recently that I discovered how to actually change people's minds. These are very different things.If you believe that the world would be a better place if more people agreed with you, this insight will help you.I wrote this book to be read in about an hour. You can use the advice right away.

The Heroes of La Palma Angelo Spagnolo 2014-12-05 In the wake of 9/11, a top-secret government agency titled "The Federal Rapid Response Unit" was created back in 2001. Immediately nicknamed "Unit One" by then-President George W. Bush, it was comprised of only the very top agents from various agencies such as the C.I.A., F.B.I. and N.S.A.; this investigative/ paramilitary force was designed exclusively for the purpose of stamping out Middle East terrorism before it could ever gain a foothold on American soil again. Everything worked as planned until Christmas Eve, 2015, when "Accurate Energetic Systems," a Tennessee company that manufactures C-4 explosives for the Defense Department, was overrun by a group of "home grown" terrorists under the direction of a former Navy SEAL now gone bad. This crisis soon would escalate into the worst predicament our country and perhaps the entire world has ever faced. Based on actual, ever-fluid, breaking-news events, "The Heroes of La Palma" will have you shaking your head at how easily this plot could potentially take place in real-life. But when the dust settles, you'll also be thankful that for once, it seems that our government finally did something right...it created "Unit One." "The Heroes of La Palma" is Book 1 of the series, "The Federal Rapid Response Unit."

The Great Separation John Doe 2017-04-04 Caution: this book is a document from the future, on how the United States finally split into two independent republics in 2029, and its aftermath. The topic is so sensitive, that its futuristic author must be identified merely as John Doe, Ph.D. Dateline: 2029. The "One Nation, Indivisible," finally divides. - A political satire.

Totally Corrupt Jim Green 2017-05-15 This book is DEDICATED TO: The eradication of FEAR in America-as FDR articulated: "nameless, unreasoning, unjustified terror which paralyzes needed efforts to convert retreat into advance." In short, fear is the mother of all cancers on the body politic of America.....i.e., fear is a wall to keep the Mexicans out, and drives our insidious racism.....and the pernicious fear resulting from McCarthyism still hangs like a black cloud over and cripples America to this day, resulting in our Third World healthcare system, and Job Creation--and is the parent of the pervasive hate in America today.....to illustrate: I didn't write the following. It is a cut and paste from FACEBOOK, or some blog [would like to give credit if knew the author]--but it is so on target regarding how "fear" is driving Conservative policy in America today-i.e., is undermining America and our progress-and relegating America to a Third World country status, rather than a world leader-"Conservatives are such cowards: they are afraid of gay people getting married or serving in the military; they are afraid of bringing terrorists to super max prisons in the US from which no one has ever escaped; they are afraid of the boy scouts letting gay kids in; they are afraid of everyone voting and are constantly suppressing the vote under some bogus voter fraud theory; they are afraid of letting students vote at their universities; they are afraid of women having the right to choose; they even are afraid of women getting contraception [the real issue actually is a women's agency and control over their bodies]; they are afraid of immigration reform leading to citizenship because they are afraid of- name whatever reason; they are afraid of mandating gun purchasers to undergo background checks for crazy people and terrorists; they are afraid of people smoking pot; they are afraid of climate change being real and contradicting their beloved Bible; they are afraid of legitimate campaign reform; they are afraid of Muslims; they are afraid of blacks; they are afraid of atheists; they are afraid of hippies; they are afraid of socialists; they are probably still afraid of monsters under their beds; they are just rank cowards and keep making things up to be afraid of."

Who's the Bitch Now? J.C. 2017-06-11 Very few people would challenge Fabian, the star running back whose about to go pro. Not merely for the beast that he is on the field, but also the one he becomes when he drinks. Eric Certain isn't quite so lucky. His brother Tyriq is terminally ill. But Eric's luck is sure to run out when he and Fabian soon cross paths. Scorned and scarred in the years that follow. Eric inflicts a few of his own. Will the now famous athlete hold it together, or will Eric cause him to lose it all?

Declaration Statesmanship Richard Ferrier 2014-05-08 The text begins with the Declaration of Independence and the founding of the United States, explaining how the Declaration contains all the underlying principles and truths that our country was founded on, and continues on through the writing of the Constitution and the forming of the government, and how the founding fathers incorporated all the fundamental principles within the Constitution. The program next discusses the challenges our country faced in the past and how they were eventually solved, and how those same problems apply to America today.

Betrayed Brendan DuBois 2003 When a bedraggled stranger turned up on the doorstep of Jason Harper's comfortable New England home, it takes him some time to accept that it is his brother who had disappeared over thirty years before on a bombing mission over Vietnam. Why had he not come home earlier? Where had he been? Why had he not told his own family that he had survived? Before Roy can begin to explain what he has gone through they are interrupted by a pair of men who seem intent on removing them both - and Jason's wife and child. Within the space of half an hour Jason's well-regulated, ordinary life is destroyed and his loyalty to his lost brother forces him to take his family on the run as he battles with the fact that the American government had 'hidden' hundreds of MIAs. Now the two brothers have the knowledge to expose this outrage, but first they have to prevent the other survivors from being summarily executed, and a very professional organisation is determined that they will achieve neither aim. Three Your Life David R. Sanders 2016-10-04 Traditional beliefs about meeting goals are fundamentally flawed. Goal setting tactics assume goals are measurable, achieved, and final-all attributes that describe objectives, not goals. Unlike objectives, which are by their very nature self-contained, goals are immeasurable. A goal is realized, not achieved, and must be maintained to remain successful. What good is the goal of losing weight if you don't keep the weight off? Losing twenty pounds is an objective. Keeping that twenty pounds from returning is a goal, which must be maintained to remain a success. In Three Your Life, entrepreneur and accidental expatriate David R. Sanders applies this important distinction between goals and objectives. Beginning with attitude, outlook, and perception, Sanders builds a solid foundation on which to effect major life changes. Learn to differentiate between needs, wants, and desires-and discover how focusing on desires causes everything else to fall into place. To realize desires, Sanders reevaluates conventional thinking on prioritizing tasks, using a three-part daily structure that ensures you're working toward a productive and fulfilling life. A fresh new approach to goal setting, Three Your Life offers the opportunity to realize your goals, achieve your objectives, and understand the difference between the two.

Over the Deep Samantha Wilcoxson 2015-02-19 Ten year old Edwin is surprised to learn that he will be travelling to America on the famous new Titanic. Even more shocking is that he will be going with grandparents he has never known. Why does his mother want to send him away? Edwin explores the ship, meeting men such as Thomas Andrews, Bruce Ismay, and Captain Smith. Along the way, he also learns secrets about his own family's past. When the ship sinks and Edwin ends up in a lifeboat separated from everyone he knows, he wonders if he has survived the worst only to be abandoned in the middle of the Atlantic.

United We Stand Divided We Fall Jonathan Foley 2017-03-31 In United We Stand Divided We Fall Garn Press has gathered together essays by great scholars and renowned teachers who oppose the direction in which President Trump is leading the country. These are essays, to quote George Lakoff, which frame American values accurately and systemically day after day, telling truths by American majority moral values. These are essays of protest against and resistance to Trump's presidency, to his billionaire cabinet, to the privileging in the White House of white supremacists, the promulgation of "alternate facts," the denigration of media sources, the purges of State Department personnel, the gag orders at the EPA and scientists placed on "watch lists," the travel bans on people from wide swaths of U.S. society and on refugees ... the list is long. They are also essays that tackle the question of what we can do to stop Trump from becoming a fast moving catastrophe. When the hands of the Doomsday Clock were moved closer to midnight, President Trump was named specifically as an existential risk to humanity. There is no doubt that we must all act. The writers of conscience who have written this collection of essays are all actively engaged in opposing President Trump and their writings encourage us to participate in the resistance movement. Read with a pencil in hand. Make notes on what you can do to join aspects of the movement that reflects the needs and concerns of your community. Through social media you can go global while acting locally.

Me and Mr. Mephistopheles D. D. Cross 2014-01-20 THE AMERICAN EDITION Satan is being outsourced. According to the Powers That Be, Hell isn't hellish enough, and Satan is given seven days to figure out how to bring back the fire and brimstone days of Hell's fury. The Devil takes on human form-a ramshackle, disease ridden body-and sets out on a road trip exploring new and novel miseries of the human condition to save his job. From L.A. to Miami, Satan, accompanied by Eustice Seeneey, the only man who managed to escape Hell twice (and live to never shut up about it), some bent doctors, an average medium femme fatale with a Tarot tattoo, and an angelic escort service hit the road. Satan manages to finagle his way into one mess of life's affairs after another culminating in an explosive finale revealing who or what puts the lighting in our dreams, and begs the question of who would rid the world of the Devil they know?

The Wheels of Chance Illustrated H G Wells 2020-10-18 The Wheels of Chance is an early comic novel by H. G. Wells about an August 1895 cycling holiday, somewhat in the style of Three Men in a Boat. In 1922 it was adapted into a silent film The Wheels of Chance directed by Harold M. Shaw.

Accounting:Introduction to Financial Accounting David Annand 2015-08-27 This text is intended for a first course in introductory financial accounting. It was updated to reflect current International Financial Reporting Standards (IFRS). For example, it reflects the recent change in IAS38, para. 98, allowing the use of multiple methods in amortizing intangible assets. It focuses on core Introductory Financial Accounting topics that match pre-requisite requirements for students advancing to Intermediate Financial Accounting. Excluded are advanced topics that are covered in Intermediate Financial Accounting, such as leases and bond amortization. The text takes a corporate approach (vs. beginning with a sole proprietorship emphasis and then converting to a corporate approach); this consistency throughout the book reduces confusion for the introductory student.The book covers all essential topics: the accounting cycle, merchandising, assigning costs to inventory, cash and receivables, property, plant and equipment, debt financing, equity financing, statement of cash flows, financial statement analysis, and proprietorships and partnerships.Additionally, this version of the open text is supported by Lyryx Learning, offering at an affordable price editorial services to develop and adapt the content, formative online assessment, course supplements, and daily support to both the students and instructors.

Her Lover Maxim Gorky 2018-04-04 Author Introduction Alexei Maximovich Peshkov primarily known as Maxim Gorky , was a Russian and Soviet writer, a founder of the socialist realism literary method and a political activist. He was also a five-time nominee for the Nobel Prize in Literature. Gorky's most famous works were The Lower Depths (1902), Twenty-six Men and a Girl, The Song of the Stormy Petrel, My Childhood, The Mother, Summerfolk and Children of the Sun. He had an association with fellow Russian writers Leo Tolstoy and Anton Chekhov; Gorky would later mention them in his memoirs.

Slave to the Trade Percy Levy 2012-12-18 In this gritty urban novel, a pimp named Anthony Davis (AD) and police officer George Pratt wage war with one another on the rain-slicked streets of Seattle. Slave to the Trade is packed with jaded cops, wannabe pimps, hardened prostitutes, gangbanging drug dealers, and several down-and-out drug addicts. The sad but true reality of the streets has never been painted so clearly and colorfully. The novel begins in a police station where Detective Pratt is pestered by the rookie partner about a mysterious piece of paper with a single calendar date on it that has been hanging on the wall for years. Now that the date has arrived, Pratt decides to finally divulge its meaning. He explains that a pimp named AD is being released from prison and needs to be tracked down and watched. When the rookie asks for further information, Pratt becomes irritated and evasive...making it apparent that the beef between the two men would remain a mystery until a later time. Upon his release, AD returns to his former stomping grounds and finds that the power structure of the game has changed dramatically. Where he was once a shot caller, the gangbangers are now firmly in control. AD does his best to make headway with the youngsters, but one of them just so happens to be an aspiring wannabe pimp and decides that AD is a threat that needs to be dealt with. Meanwhile, the mystery of AD and Pratt's past grows in intensity as the rookie and the veteran cruise the streets watching the pimp's every move. However, things get forced to a head when a young runaway girl turns up working the streets. Sadly, without her consent or knowledge, the young girl becomes a pawn in AD and Pratt's personal war of wills. Steamy, gritty, and violent, Slave to the Trade is a work of urban fiction that brims with authenticity. The spitfire dialogue drives the intricate plot as the manipulative pimp and jaded cop head for an inevitable collision that will shake the street game to its very foundation.
