The Grand Budapest Hotel

Wes Anderson 2014-03-04
(Book). The Grand Budapest Hotel recounts the adventures of Gustave H (Ralph Fiennes), a legendary concierge at a famous European hotel between the wars, and Zero Moustafa (Tony Revolori), the lobby boy who becomes his

most trusted friend. Acting as a kind of father figure, M. Gustave leads the resourceful Zero on a journey that involves the theft and recovery of a priceless Renaissance painting; the battle for an enormous family fortune; a desperate chase on motorcycles, trains, sledges and skis; and the sweetest confection of a love affair all against the backdrop of a suddenly and dramatically changing Continent. Inspired by the writings of Stefan Zweig, *The Grand Budapest Hotel* recreates a bygone era through its arresting visuals and sparkling dialogue. The charm and vibrant colors of the film gradually darken with a sense of melancholy as the forces of history conspire against our hero and his vanishing way of life. Written and directed by Wes Anderson, whose films include *The Royal Tenenbaums*, *Moonrise Kingdom*, and *Fantastic Mr. Fox*. The film also stars Jude Law, Tilda Swinton, Edward Norton, Jeff Goldblum, Harvey Keitel, Adrian Brody, Saoirse Ronan, Lea Seydoux, Bill Murray and Owen Wilson.

Heroes and happy endings

Christine Grandy 2016-05-16

This is a highly anticipated examination of the popular film and fiction consumed by Britons in the 1920s and 1930s.

Departing from a prevailing emphasis on popular culture as escapist, Christine Grandy offers a fresh perspective by noting the enduring importance of class and gender divisions in the narratives read and watched by the working and middle classes between the wars. This compelling study ties contemporary concerns about ex-soldiers, profiteers, and working and voting women to the heroes, villains and love-interests that dominated a range of films and novels. *Heroes and happy endings* further considers the state's role in shaping the content of popular narratives through censorship. An important and highly readable work for

scholars and students interested in cultural and social history, as well as media and film studies, this book is sure to shift our understanding of the role of mass culture in the 1920s and 1930s.

Manchester by the Sea
Kenneth Lonergan 2011-03-09
The Academy Award-winning screenplay of "a drama of surpassing beauty" (Wall Street Journal) Kenneth Lonergan's Academy Award and BAFTA-winning screenplay for the acclaimed film Manchester by the Sea is a staggering achievement and an emotionally devastating meditation on grief. Lee Chandler is a brooding, irritable loner who works as a handyman in Boston. One damp winter day he gets a call summoning him to his hometown, Manchester-by-the-Sea, the fishing village where

his working-class family has lived for generations. His brother's heart has given out suddenly, and he's been named guardian to his riotous 16-year-old nephew. His return re-opens an unspeakable tragedy, as he is forced to confront a past that separated him from his wife, Randi, and the community where he was born and raised. A sweeping story of loss and new beginnings, Manchester by the Sea "illuminates with quiet, unyielding grace how you and I and our neighbors get by, and sometimes how we don't" (Boston Globe). Rounding out the volume is a trenchant and incisive introduction by Kenneth Lonergan on writing for film. When You Reach Me Rebecca Stead 2009-07-14 "Like A Wrinkle in Time (Miranda's favorite book), When You Reach Me far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York

Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. The Creative Turn Anne M. Harris 2014-04-16 The conundrum of understanding, practising and teaching contemporary creativity is that it wants to be all things to all people. Almost all modern lists of creativity, creative thinking and how-to 'becoming creative' books begin with one premise: the creative individual/artist is not special, rather each of us is creative in a special way and these skills can - and must - be nurtured. Increasingly, industry and education leaders are claiming that creativity is the core skill to take us into a prosperous future, signalling the democratisation of creativity as industry. Yet centuries of association between aesthetics, mastery and creativity are hard to

dismantle. These days, it is increasingly difficult to discuss creativity without reference to business, industry and innovation. Why do we love to think of creativity in this way and no longer as that rare visitation of the muse or the elite gift of the few? This book looks at the possibility that creativity is taking a turn, what that turn might be, and how it relates to industry, education and, ultimately, cultural role of creativity and aesthetics for the 21st century. In proliferating discourses of the commodification of creativity, there is one thing all the experts agree on: creativity is undefinable, possibly unteachable, largely unassessable, and becoming the most valuable commodity in 21st-century markets.

Song of Spider-Man Glen Berger 2013-11-05 "One of the best literary works of this year" (Miami Herald-Tribune): The true story of a theatrical dream—or nightmare—come true...the making of the Spider-Man musical. As you might imagine, writing a Broadway musical has its challenges. But it turns out there are challenges one can't begin to imagine when collaborating with two rock legends and a superstar director to stage the biggest, most expensive production in

theater history. Renowned director Julie Taymor picked playwright Glen Berger to cowrite the book for a \$25 million Spider-Man musical. Together—along with U2's Bono and Edge—they would shape a work that was technically daring and emotionally profound, with a story fueled by the hero's quest for love...and the villains' quest for revenge. Or at least, that's what they'd hoped for. But when charismatic producer Tony Adams died suddenly, the show began to lose its footing. Soon the budget was ballooning, financing was evaporating, and producers were jumping ship or getting demoted. And then came the injuries. And then came word-of-mouth about the show itself. What followed was a pageant of foul-ups, falling-outs, ever-more harrowing mishaps, and a whole lot of malfunctioning spider legs. This "circus-rock-and-roll-drama," with its \$65 million price tag, had become more of a spectacle than its creators ever wished for. During the show's unprecedented seven months

of previews, the company's struggles to reach opening night inspired breathless tabloid coverage and garnered international notoriety. Through it all, Berger observed the chaos with his signature mix of big ambition and self-deprecating humor.
