Wild River Rodman Philbrick 2021-03-02 Newbery Honor author Rodman Philbrick sends readers rushing down a raging river on a life-or-death adventure when a white water rafting trip goes terribly wrong! Daniel Redmayne is fast asleep on the first night of a white water rafting trip, when he's awoken by screams. The dam has failed. The river is surging, and their camp

will be under water in a matter of moments. As the shrieking roar of the river rushes closer, the kids scramble to higher ground. They make it; their counselors do not. Now they're on their own, with barely any food or supplies, in the middle of the Montana wilderness. Do Daniel and his four classmates have what it takes to stay alive until they can get rescued? Alone in the wild, they forge powerful bonds -- but develop dangerous disagreements. If nature doesn't break them, they might just destroy each other. This gripping survival story from the Newbery Honor author of *Wildfire* is filled with adrenaline-pumping adventure and moments of true bravery.

*The Mind's Eye* Paul Fleischman  
2013-12-17 Eighty-eight-year old Elva and Courtney, an attractive sixteen-year-old with a severed spinal cord, lie in adjacent beds in a grim Bismarck, North Dakota convalescent home. Ignored by the world,

the only resource they have left is their imagination. As Elva and Courtney go on a fantasy trip to Italy (accompanied by Elva's long dead husband and guided by a 1910 travel book), Elva shows Courtney a new way to envision love. But to accept it, and the gift of the imagination, Courtney must make the trip her own--even if she destroys the art Elva holds most dear. Written entirely in dialogue, *The Mind's Eye* can be performed as reader's theater, but it is a fully satisfying novel. In this extraordinarily innovative, profound, and yet readable book Paul Fleischman makes us all feel what a powerful--and dangerous--tool the imagination can be.

No Map, Great Trip is a great gift for young writers, language arts teachers, and fans of

Jack Prelutsky's *Pizza, Pigs, and Poetry* and Ralph Fletcher's *A Writer's Notebook*. *Seedfolks* Paul Fleischman 1999-03-24 A vacant lot, rat-infested and filled with garbage, looked like no place for a garden. Especially to a neighborhood of strangers where no one seems to care. Until one day, a young girl clears a small space and digs into the hard-packed soil to plant her precious bean seeds. Suddenly, the soil holds promise: To Curtis, who believes he can win back Lateesha's heart with a harvest of tomatoes; to Virgil's dad, who sees a fortune to be made from growing lettuce; and even to Maricela, sixteen and pregnant, wishing she were dead. Thirteen very different voices -- old, young, Haitian, Hispanic, tough, haunted, and hopeful -- tell one amazing story about a garden that transforms a neighborhood. It's run by the Huns, a ruthless clique of rich students—and, as poor Charity Chase discovers, messing with them can be murder. There's Tiffany, avid reader of every beauty magazine available; Brooke, desperate for a date; Danielle, Al Capone in Miss America's body, with her sights set firmly on a millionaire's son Drew. Unfortunately, like every other boy at Cliffside, Drew only has eyes for Helga, the ravishing new student from Norway ... wherever that may be. As far as Danielle is concerned, Helga could be from another world. In fact, if she doesn't lay off Drew—she just might be. Getting rid of her ought to be as easy as taking candy off a helpless old lady. Only something weird is

happening to Danielle and her friends, something much nastier than the horror stories she loves to read, something that can only be described as a fate totally worse than death.

Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: *Seedfolks* follows the intertwining stories of several neighbors as they break down barriers and form a community. A vacant lot in Cleveland, Ohio is not the perfect spot for Kim to plant her lima beans. It's too cold and there's not very much sun. She does this anyways in honor of her father. Little does she know that this action will intrigue the neighbors she knows only as strangers, and cause a ripple effect throughout the neighborhood. Each

chapter follows a different neighbor and their personal journey that brought them to this vacant lot. People of varying ages, genders, races and religions come together with a shared goal of growing their item of choice. Some want to start a business, while others want to win back a lost love. The garden blooms from a segregated group of individual plots into a real community as peoples' guards are lowered and they begin to really know one another. When the season ends, only time will tell whether this new community will thrive. *Seedfolks* Paul Fleischman 1997 One by one, a number of people of varying ages and backgrounds transform a trash-filled inner-city lot into a productive and beautiful garden, and in doing so, the gardeners are themselves transformed.

**Joyful Noise** Paul Fleischman 2013-09-24  
From the Newbery Medal-winning author of *Seedfolks*, Paul Fleischman, *Joyful Noise* is a collection of irresistible poems that celebrates the insect world. Funny, sad, loud, and quiet, each of these poems resounds with a booming, boisterous, joyful

noise. The poems resound with the pulse of the cicada and the drone of the honeybee. They can be fully appreciated by an individual reader, but they're particularly striking when read aloud by two voices, making this an ideal pick for classroom use. Eric Beddows's vibrant drawings send each insect soaring, spinning, or creeping off the page in its own unique way. With *Joyful Noise*, Paul Fleischman created not only a fascinating guide to the insect world but an exultant celebration of life.

abandonment. Yet he vowed to survive—he would become welterweight champion of the world, he would dream heroic dreams. But his dreams were nothing compared to what awaited him. For he embarked on an epic journey, where he would learn the power of words, the power to transform lives, and the mystical power that would sustain him even when it appeared that villainy would rule the world: *The Power of One*.

**TAKING TURNS** Ja Huss 2017-01-11 I've never been afraid of the dark...but that doesn't mean I wanted to live in it. And maybe everyone wants what they can't have, but I should've thought it over before I accepted the key and unlocked the door to their forbidden world. Number One is mostly silent. He watches me with them very carefully. His gaze never wanders. His interest never wanes. Number Two is mostly gentle. But it's the other side of him

I like best. The wild side. Number Three is mostly reserved. He refuses to cross the line. Even when I beg. It was carnal, it was sensual, and it was erotic. That's it. That's all it was supposed to be. A trip into the dark. A peek into the forbidden. I just didn't expect to like them.
