Worth come to The Lone Star for a cold brew and someone warm to dance with. Lucky for them, one table is always reserved for Bailey Rose and her friends who come there to unwind and maybe to get wound up by a good-looking guy with a big smile and bigger rodeo buckle. Lookin' Good I wish I had never told Travis my deepest, darkest secret—that I like to watch. I should have known he would want to give me my heart's desire. I love him more than anything, but I hate him for using my weakness to try to win me back. Moreover, I hate myself for not being able to turn down the gifts he brings me. Bailey Rose Hung Up I should have told Colton what he could do with his money, but I need it to keep the doors of my dance studio open. So, here I am, naked and bound, with a bull rope around my waist, and despite the intricate suspension system holding me up, I'm falling hard. Falling for the impossible man who threw me for a loop and lassoed my heart. Beth Rockin' O I can't imagine not marrying Brendan, but I can't bring this discontent into our marriage either. My friend, Beth, is right. I have to talk to my fiancé, but how do you tell a man who does everything right in the bedroom that you need more—that you need him to spank you? ~ April Barbed Wire Just looking at me, no one would ever guess my secret. I keep it to myself, my silent, lonely longing for more than I think I'll ever find. That doesn't keep me from dreaming though, that's why I come to The Lone Star every time Barbed

Wire plays here. The real-life cowboys turned musicians star in my wildest fantasies. I long to be wrapped up in them. All of them. Now she's renting a cabin in Lake Tahoe, considering the pros of leaving acting—including living a normal life for a change. Disrupt-Her Miki Agrawal 2019-01-29 From the co-founder of THINX and hellotushy.com, start-ups collectively valued at more than \$150 million, comes DISRUPT-HER, a rallying cry for women to radically question the status quo. Miki Agrawal has faced patriarchal pushback, fought girl-on-girl hate, ridden the roller coaster of building businesses as a female CEO, and even overcome an attempt to burn her for witchcraft (figuratively). In order to navigate the complicated--at times maddening--struggles of contemporary femininity, we need an unabashed manifesto for the modern woman that inspires us to move past outrage and take positive steps on the personal, professional, and societal levels. This manifesto galvanizes us to action in 13 major areas of our lives with as much fire power as possible. These are the credos we live by, the advice we give to friends, the tenets we instill in our companies and peers on a daily basis. Stories of badass female movers and shakers are shared in this book too to give

you an extra jolt of "I've got this." It's a whole body F*CK YES to your work, your love, your relationships, and your mission--while doing it all authentically, unapologetically, and with full integrity.
