Comprehending as with ease as promise even more than supplementary will have enough money each success. next-door to, the publication as skillfully as perception of this The Wisdom Of The Buddha By Jean Boisselier can be taken as well as picked to act.

The Buddha's Wife Janet Surrey 2015-06-30 As the category of women's spirituality continues to grow, The Buddha's Wife offers to a broad audience for the first time the intimate and profound story of Princess Yasodhara, the wife Buddha left behind, and her alternative journey to spiritual enlightenment. What do we know of the wife and child the Buddha abandoned when he went off to seek his enlightenment? The Buddha's Wife brings this rarely told story to the forefront, offering a nuanced portrait of this compelling and compassionate figure while also examining the practical applications her teachings have on our modern lives. Princess Yasodhara's journey is one full of loss, grief, and suffering. But through it, she discovered her own enlightenment within the deep bonds of community and "ordinary" relationships. While traditional Buddhism emphasizes solitary meditation, Yasodhara's experience speaks of "The Path of Right Relation," of achieving awareness not alone but together with others. The Buddha's Wife is comprised of two parts: the first part is a historical narrative of Yasodhara's fascinating story, and the second part is a "how-to" reader's companion filled with life lessons, practices, and reflections for the modern seeker. Her story provides a relational path, one which speaks directly to our everyday lives and offers a doorway to profound spiritual maturation, awakening, and wisdom beyond the solitary, heroic journey.

Teaching Buddhism Gary Deangelis 2016-10-03 Buddhist studies is a rapidly changing field of research, constantly transforming and adapting to new scholarship. This creates a problem for instructors, both in a university setting and in monastic schools, as they try to develop a curriculum based on a body of scholarship that continually shifts in focus and expands to new areas. Teaching Buddhism establishes a dialogue between the community of instructors of Buddhism and leading scholars in the field who are updating, revising, and correcting earlier understandings of Buddhist traditions. Each chapter presents new ideas within a particular theme of Buddhist studies and explores how courses can be enhanced with these insights. Contributors in the first section focus on the typical approaches, figures, and traditions in undergraduate courses, such as the role of philosophy in Buddhism, Nagarjuna, Yogacara Buddhism, tantric traditions, and Zen Buddhism. They describe the impact of recent developments-like new studies in the cognitive sciences-on scholarship in those areas. Part Two examines how political engagement and ritual practice have shaped the tradition throughout its history. Focus then shifts to the issues facing instructors of Buddhism-dilemmas for the scholar-practitioner in the academic and monastic classroom, the tradition's possible roles in teaching feminism and diversity, and how to present the tradition in the context of a world religions course. In the final section, contributors offer stories of their own experiences teaching, paying particular attention to the ways in which American culture has impacted them. They discuss the development of courses on American Buddhism; using course material on the family and children; the history and trajectory of a Buddhist-Christian dialog; and Buddhist bioethics, environmentalism, economic development, and social justice. In synthesizing this vast and varied body of research, the contributors in this volume have provided an invaluable service to the field

Discoveries: The Wisdom of the Buddha Jean Boisselier 1994-10-05 Looks at the historical background of Buddhism, from Gautama's initial awakening to human suffering, to the religious and monastic movements that followed

Buddhism in the Modern World David L. McMahan 2012-03-15 Buddhism in the Modern World explores the challenges faced by Buddhism today, the distinctive forms that it has taken and the individuals and movements that have shaped it. Part One discusses the modern history of Buddhism in different geographical regions, from Southeast Asia to North America. Part Two examines key themes including globalization, gender issues, and the ways in which Buddhism has confronted modernity, science, popular culture and national politics. Each chapter is written by a distinguished scholar in the field and includes photographs, summaries, discussion points and suggestions for further reading. The book provides a lively and up-to-date overview that is indispensable for both students and scholars of Buddhism.

Radiant Mind Jean Smith 1999 This collection of starting points and texts of Buddha's discourses is filled with insightful commentaries and interpretations by the Dalai Lama, Thich Nhat Hanh, and other Buddhist thinkers.

AHA!: No More Anxiety and Depression Tai Sheridan 2013-06-23 Anxiety keeps you distant from your real self, and depression keeps you unhappy. They both destroy your vitality, authenticity, and the joy of living a dynamic, peaceful, focused, and balanced life. Anxiety prevents you from living in the present moment, depression erodes the joy and blessing of being alive. These short contemplations will help free you from gut wrenching anxiety and depression. The Dancing Pig Wisdom books are a natural follow up to the five Buddha in Blue Jeans books, which make esoteric Buddhist wisdom practices easily accessible and digestible by transforming the language of Buddhism into plain-as-day images and metaphors, by focusing on the most essential teachings, and by presenting no more than a very busy person can digest in a single sitting. The Dancing Pig books do the same with a modern psychological approach to wholeness and well being.

The Beginner's Guide to Walking the Buddha's Eightfold Path Jean Smith 2007-12-18 "Writing a 'nuts and bolts' guide that is genuinely wise, charmingly conversational, and a pleasure to read requires a particular talent, and Jean Smith has proved once again that she has it."-Sylvia Boorstein, author of Don't Just Do Something, Sit There The third of Jean Smith's Beginner's Guides focuses on the Buddha's Eightfold Path-the concepts central to practicing the Buddha's teachings in daily life. The eight steps on the path are: right understanding, thought, speech, action, livelihood, effort, mindfulness, and concentration. Smith explains exactly what the Buddha had in mind, using translations of his own words and then elucidating them for us. Throughout the book are wonderful quotes from a broad range of Buddhist teachers, giving a taste of the very best each of them has to offer. The Beginner's Guide to Walking the Buddha's Eightfold Path is a prescription for happiness, not just for overcoming suffering, which is how many people think of Buddhism. Here is a book for Buddhists of every tradition.

Who Ordered This Truckload of Dung? Brahm 2005-08-30 The 108 pieces in the international bestseller Who Ordered This Truckload of Dung? offer thoughtful commentary on everything from love and commitment to fear and pain. Drawing from his own life experience, as well as traditional Buddhist folk tales, author Ajahn Brahm uses over thirty years of spiritual growth as a monk to spin delightful tales that can be enjoyed in silence or read aloud to friends and family. Featuring titles such as "The Two-Finger Smile" and "The Worm and His Lovely Pile of Dung," these wry and witty stories provide playful, pithy takes on the basic building blocks of everyday life. Suitable for children, adults, and anyone in

between, this eloquent volume wraps insight and inspiration inside of a good old yarn.

Sitting Together Activity Book Sumi Loundon 2017-06-13 A perfect companion to enhance your Sitting Together lessons. This book is filled with over 50 coloring pages, games, mazes, and other fun activities for children ages 3-12. Though designed to be used with the Sitting Together curriculum, it can also be used on its own. This book is perfect for any family, Dharma center, yoga studio, or organization that wants to incorporate mindfulness into their children's activities. Visit MindfulFamilies.net for mindfulness, meditation, and Buddhist resources for families.

Compassion and Meditation Jean-Yves Leloup 2009-06-25 A profound reflection on how complementary themes in Buddhism and Christianity could serve as the basis for a truly ecumenical faith • Compares Zen meditation with the Greek Orthodox practice of Hesychasm (prayer of the heart) • Shows how Buddha and Jesus represent the distinct yet complementary values of meditation and compassion In Asian spiritual traditions the mountain traditionally symbolizes meditation while the ocean signifies compassion. Jean-Yves Leloup uses this metaphor to compare Buddhist and Christian approaches to meditation and compassion to reveal the similarities and divergences of these profound practices. Emphasizing their complementary nature, Leloup describes how Jesus and Buddha are necessary to one another and how together they form a complete system: Jesus as awakening through love, and Buddha as awakening through meditation. Where Buddha represents the forests, Jesus represents the trees. Buddha is brother to the universe, whereas Jesus is brother to humanity. Nevertheless, these two religious traditions have a profound common ground. Compassion is central to Buddhism, and meditation practices have been central to many Christian traditions. Both view murder, theft, and the destructive use of sexuality as great barriers to realizing our essential being, and both agree on the need to rise above them. Here, however, Leloup suggests that both faiths could benefit from the precepts of the other. The complementary aspects of Christianity and Buddhism offer the possibility for a truly profound ecumenical religion whose interfaith relations are based on deep understanding of the true meaning and practice of meditation and compassion and not merely shared goodwill.

If the Buddha Dated Charlotte Kasl 1999-02-01 Zen and the art of falling in love . . . At once practical, playful, and spiritually sound, this book is about creating a new love story in your life. Drawing from Christian, Buddhist, Sufi and other spiritual traditions, If the Buddha Dated shows how to find a partner without losing yourself. Kasl, a practicing psychotherapist, workshop leader, and Reiki healer for thirty years, offers practical wisdom on using the path to love as a means of awakening. If the Buddha Dated teaches that when you stay loyal to your spiritual journey, you will bring curiosity, fascination, and a light heart to the dating process.

The Lost Teachings of Lama Govinda Anagarika Brahmacari Govinda 2007-01-01 The Lost Teachings of Lama Govinda offers a precious glimpse into the consciousness of an extraordinary scholar and mystic, shedding new light on Govinda's legendary role as both a pioneer and a prophet. Born in Germany, Lama Govinda was one of the first Westerners to introduce Tibetan Buddhism as an initiate in the tradition. His famed works, The Way of the White Clouds and Foundations of Tibetan Buddhism, live on as some of the best in the field. In this collection of essays and dialogues, Govinda delivers insights that are both timely and timeless. Ranging in issues and themes, including transpersonal psychology, drugs and meditation, Christianity, Theravada and Zen Buddhism, and the I Ching, editor Richard Power brings together Lama Govinda's rarest material-some never before published, some long out of circulation.

Feeling Wisdom Rob Preece 2015-01-13 A psychologist and longtime practitioner of Tibetan Buddhism shows how emotions relate to spiritual practice--that our feeling life is truly at the heart of our awakening. The realm of emotion is one of those areas where Buddhism and Western psychology are often thought to be at odds: Are emotions to be valued, examined, worked with as signs leading us to deeper self-knowledge? Or are they something to be ignored and avoided as soon as we recognize them? Rob Preece feels that neither of those extremes is correct. He charts a path through the emotions as they relate to Buddhist practice, showing that though emotions are indeed "skandhas" (elements that make up the illusory self) according to the Buddhist teaching, there is a good deal to be learned from these skandhas, and paying attention to their content contributes not only to psychological health but to deep insight into the nature of reality. He draws on his own experiences with emotions and meditation, through both his training in Tibetan Buddhism and psychotherapy, to show how working with emotions can be a complement to meditation practice.

The Beginner's Guide to Walking the Buddha's Eightfold Path Jean Smith 2002 The third volume in the Beginner's Guide to Buddhism series explores the concept of the Buddha's Eightfold Path, an idea central to all forms of Buddhism, explaining how right understanding, right thought, right speech, right action, right livelihood, right effort, right mindfulness, and right concentration can be used to achieve personal fulfillment. Original. 10,000 first printing.

Zen Therapy David Brazier 2012-10-25 Buddhism, from Abhidharma to Zen, offers a practical path to harmony of head and heart. For over 2,000 years Buddhists have been developing sophisticated psychologies to guide the work of achieving freedom from mental suffering. Now East and West are beginning to learn from each other. In a readable and practical manner, this book challenges basic assumptions of Western psychology, demystifies Buddhist psychology and presents Zen as a therapy. Giving examples of its effectiveness in psychotherapeutic practice, the author shows how Zen derives from the Buddhist theory of the mind and throws new light upon the Buddhist theory of relations and conditions. This seminal work is a resource full of intriguing and controversial ideas.

Kindness Sarah Conover 2010 Collection of traditional Buddhist tales following the Buddha through his various prior births.

NOW! Jean Smith 2016-05-31 NOW! The Art of Being Truly Present is a collection of 85 original reflections on everyday experience, each paired with "mindful reminders" or meditative invocations, on the subjects that we all deal with on a daily basis and throughout our lives: Work, Aging, Gossip, Sex, and Friendship - just to name a few. This gift-sized book illustrates how spiritual transformation begins when we embrace the present moment and focus on the blessings we have in our daily lives rather than on what we have lost or perhaps never had. People seeking solace in reflection, prayer, and meditation will find this book an inviting and convenient source of inspiration that they will want to keep close at hand. NOW! is an ideal companion to turn to when settling down to sleep at the end of a busy day, or when centering oneself to begin each new one.

Concealed God Stefan Einhorn 2008-01-01 Highly acclaimed in Sweden where it was

first published in both hardcover and paperback editions, *A Concealed God* poses two intriguing questions: Does God truly exist? If so, is the concept of God logical and in agreement with the knowledge of the world that science has provided to date? The God presented by most religions doesn't make sense in today's world; we have little room for miracles. Furthermore, there are irreconcilable aspects in the world's religions. Must we abandon our faith or belief in God? Perhaps not, says popular Swedish thinker Stefan Einhorn. We can behave as scientists do when they run experiments only to obtain contradictory results. They ask themselves whether there might not be a logical conclusion that binds all the results together and leads to the most probable explanation. Einhorn hypothesizes that if God truly exists, then many different religions would have discovered this. He finds a common denominator in the concept of a hidden God in seven major religions: Judaism, Christianity, Islam, Hinduism, Buddhism, Taoism, and Confucianism. But even with this shared belief, can we know if God exists? Did humankind create the idea of God to answer the unexplainable? What about evil and suffering, the absence of meaning in life, loneliness and insecurity? And most importantly, how do we search for a concealed God? Most religions share common principles for the search for "that which is concealed," including meditation, contemplation, and prayer. Whatever route is chosen, the search for God may bring us some answers. Einhorn concludes that two themes are central to the search: one is that God is both concealed and simultaneously omnipresent; the other is that only with utter humility and an awareness of our inability to fully understand may we approach the divine. In the end, there are no definite answers. But the search sheds light on the many paths to enlightenment offered by the world's religions.

The Buddha's Apprentices Sumi Loundon Kim 2016-06-14 Sumi Loundon's *Blue Jean Buddha* was hailed by the *New York Times Review of Books* as "a bellwether anthology"--mapping the spiritual trails followed by a generation of American Buddhist youths. *The Buddha's Apprentices* examines that territory in fuller detail, telling twenty-six more stories of this powerful spiritual path, including the stories of many teenagers. The book shows us the common challenges that spiritually hungry young adults of today might face, with a focus on the identity issues around personality, profession, and lifestyle. Also included are several affirming essays from prominent older Buddhists, recalling their first encounters with Buddhism. *The Buddha's Apprentices* inspires, examining the tectonic shifts that young, spiritually-inclined people undergo as they leave home, search for partners, consider commitment and marriage, and build their lives. Furthermore, they tell of how Buddhism changes and enhances their abilities to face life's difficulties. Sumi Loundon's rich and youthful commentary lets us appreciate each contributor's individual voice, and helps us to see how they contribute to the always-evolving chorus of modern Buddhism. *The Buddha's Apprentices* can be considered a sequel to Sumi Loundon's *Blue Jean Buddha*, but goes beyond that work by giving extra attention to teens and young adults and including pieces from Thich Nhat Hanh, Lama Surya Das, and a truly diverse array of younger author/contributors.

Opening the Door of Your Heart Ajahn Brahm 2010-07-01 The whole world has fallen in love with this international bestseller - hundreds of thousands of copies have been sold across 25 countries. Now it's Australia's turn to rediscover this jewel of a book on mindfulness. In times of uncertainty, words of comfort are essential, and the stunning overseas sales of this title are testament to its universal appeal. These modern tales of hope, forgiveness, freedom from fear and overcoming pain cleverly relate the timeless wisdom of the Buddha's teachings and the path to true happiness in a warm and accessible way. Ajahn Brahm was born and raised in the West and in his more than thirty years as a Buddhist monk he has gathered many poignant, funny and profound stories. He has tremendous ability to filter these stories through the Buddha's teaching so that they can have meaning for all sorts of readers. There are many thousands of Australians who don't even know that they need this book yet, but who will no doubt embrace it just as overseas readers have. It is the perfect gift book as there is truly something in it for everyone. 'Ajahn Brahm is the Seinfeld of Buddhism' - Sumi Loundon, editor of *Blue Jean Buddha: Voices of Young Buddhists* and *The Buddha's Apprentices*

Dhammapada Friedrich Max Müller 2002 This cornerstone Buddhist scripture, containing all of Buddhism's key teachings, is presented in an accessible edition that offers the complete text with facing-page commentary that explains all the names, terms, and references, in addition to giving insight into the text. Original.

The Beginner's Guide to Zen Buddhism Jean Smith 2007-12-18 Here is a comprehensive introduction to Zen Buddhism for those who don't know how or where to begin, nor what to expect once they have started practicing. It includes the fundamentals of meditation practice (posture, technique, clothing), descriptions of the basic teachings and major texts, the teacher-student relationship, and what you will find when you visit a zendo, plus a history of Zen from the founding of Buddhism to its major schools in the West. In addition to answering the most frequently asked questions, it offers a listing of American Zen centers and resources, an annotated bibliography, and a glossary. Jean Smith's enormously practical approach ensures that *The Beginner's Guide to Zen Buddhism* will become the book teachers and students alike will recommend.

The Beginner's Guide to Insight Meditation Arinna Weisman 2010-08-17 In this informative introduction to insight meditation, Arinna Weisman and Jean Smith combine clear explanations of the Buddha's teachings on freedom and happiness with their own personal stories that highlight challenges and insights from their practice. The authors offer advice about going on retreat, as well as help in choosing a teacher and a sangha (practice community). Any newcomer to insight meditation can get started right away with this enormously practical book that covers every aspect of the teachings beginners need to know.

The Wisdom of the Buddha Jean Boisselier 1994 India in Buddha's day - Bodhisattva - Enlightenment and the first sermon - Teachings and peregrinations - Attaining Mahaparinirvana.

Buddha Walter Henry Nelson 2008-08-14 More than twenty-five hundred years ago, an Indian prince achieved enlightenment and became "the Awakened One." However extraordinary Prince Siddhartha Gautama was, he was no divinity, but a self-perfected human being who brought a sweeping message to mankind. Walter Henry Nelson, a respected historical scholar and author, offers readers a distinctly accessible and authoritative biography of the Buddha and his teachings. In this essential, gripping, and inspiring introduction for the general reader, Buddha explores ancient legends surrounding Buddhism's founder. It shows how the simple story and profound struggle of Prince Siddhartha, who died five hundred years before the birth of Christ, were transformed into one of the world's great religions. From tales of Gautama's struggle to parables of the intervention of gods in his journey, Nelson takes readers through the historical existence and ideals at the heart of a religion and philosophy that searches beyond materialism for the true aim of life.

Essential Buddhism Jack Maguire 2013-09-03 Four hundred million people call themselves Buddhists today. Yet most Westerners know little about this powerful, Eastern-spawned faith. How did it begin? What do its adherents believe? Why are so many Westerners drawn to it? *Essential Buddhism* responds to these questions and many more, offering an accessible, global perspective on the religion's past, present, and future. It identifies how the principal concepts and practices originated and evolved through diverse cultural adaptations into three basic formats: * Theraveda (including Vipassana, brought from Vietnam in the 1960s and

including such practitioners as Jack Kornfield and Jon Kapat-Zinn) * Mahayana (including Zen Buddhism, originally brought to America by Japanese teachers after World War II and popularized by Jack Kerouac and Thomas Merton) * Vajrayana (including Tibetan Buddhism, from the teachers who fled the Chinese takeover of Tibet in the 1950s as well as the Dalai Lama, and embraced by Allen Ginsberg, Richard Gere, and countless others) *Essential Buddhism* is the single best resource for the novice and the expert alike, exploring the depths of Buddhism's popularity and illuminating its tenets and sensible approach to living. Written in the lucid prose of a longtime professional storyteller, and full of Buddhist tales, scriptural quotes, ancient stories, and contemporary insights, *Essential Buddhism* is the first complete guide to the faith and the phenomenon.

Life Is Spiritual Practice Jean Smith 2015-02-10 With this guide, find, and keep, true happiness by discovering and practicing Buddhism's ten virtues. Discover the ten perfections--qualities of the heart and mind that cultivate happiness, wisdom, and compassion--and learn how to bring them into your life with this in-depth practice manual. *Life Is Spiritual Practice* carefully lays out the perfections, or paramis: the Buddha's foundational teaching for true happiness. Generosity • Ethical Integrity • Renunciation • Wisdom • Wise Effort • Patience • Truthfulness • Resolve • Loving-Kindness • Equanimity Drawing on her more than twenty years of teaching experience, Jean Smith teases out the subtleties of the perfections and offers helpful exercises, real-life examples, and instructions for an independent self-retreat for their practical application. With this book in hand, embody the ten perfections and achieve lasting happiness, regardless of your spiritual tradition.

The Heart of Buddhist Wisdom Richard H. Jones 2012-10-01 Plain English translations of the Heart Sutra, the Diamond-Cutter Sutra, and other "Perfection of Wisdom" texts with notes and commentaries. Intended for the the general public interested in philosophy.

The Monk and the Philosopher Jean Francois Revel 2011-03-16 Jean Francois-Revel, a pillar of French intellectual life in our time, became world famous for his challenges to both Communism and Christianity. Twenty-seven years ago, his son, Matthieu Ricard, gave up a promising career as a scientist to study Tibetan Buddhism -- not as a detached observer but by immersing himself in its practice under the guidance of its greatest living masters. Meeting in an inn overlooking Katmandu, these two profoundly thoughtful men explored the questions that have occupied humankind throughout its history. Does life have meaning? What is consciousness? Is man free? What is the value of scientific and material progress? Why is there suffering, war, and hatred? Their conversation is not merely abstract: they ask each other questions about ethics, rights, and responsibilities, about knowledge and belief, and they discuss frankly the differences in the way each has tried to make sense of his life. Utterly absorbing, inspiring, and accessible, this remarkable dialogue engages East with West, ideas with life, and science with the humanities, providing wisdom on how to enrich the way we live our lives.

The Lotus Sutra 2008-12-02 The Lotus Sutra is one of the central texts of Mahayana Buddhism, both studied and used as a devotional text in virtually all sects and schools of Buddhism throughout East Asia. Its teachings provide a basis for key Buddhist ideas such as Buddha nature, the bodhisattva way, skillful means, and the dharma teacher. Familiarity with it is essential for understanding Zen and other varieties of Buddhism originating in East Asia. Gene Reeves' new translation makes this important text more accessible and fascinating than ever. With over two decades of research and teaching under his belt, Reeves is considered by many the world's foremost expert on the Lotus Sutra. This translation, a testament to his expertise, provides readers from vastly different backgrounds with the opportunity to understand and utilize the wisdom of this great text.

The Buddha Sat Right Here Dena Moes 2019-04-02 Dena was a busy midwife trapped on the hamster wheel of working motherhood. Adam was an eccentric Buddhist yogi passing as a hard-working dad. Bella was fourteen and wanted to be normal. Sophia was up for anything that involved skipping school. Together, they shouldered backpacks, walked away from their California life of all-night births, carpool schedules, and Cal Skate, and criss-crossed India and Nepal for eight months--a journey that led them to His Holiness the Dalai Lama, the tree where the Buddha sat, and the arms of Amma the Divine Mother. From the banks of the Ganges to the Himalayan roof of the world, this enthralling memoir is an unforgettable odyssey, a moving meditation on modern family life, and a spiritual quest, written with humor and honesty--and filled with love and awe.

The Spiritual Nature of Animals Karlene Stange 2017-10-10 Beloved Companions, Kindred Spirits Karlene Stange's spiritual journey began as she drove her pickup loaded with medical supplies to attend to animals throughout southwestern Colorado, where the Animas River carves the landscape. As an ambulatory veterinarian, she has experienced the challenges, sorrows, and joys of working with creatures great and small and feels a powerful kinship with these beautiful beings, a bond that goes beyond flesh and fur and feathers. *The Spiritual Nature of Animals* chronicles her amazing exploration through the teachings of various religious and cultural traditions, as well as her encounters with the magnificent Rocky Mountain terrain and the quirky characters -- both animal and human -- who inhabit it.

Coordinating Religious Education Across the Primary School Derek Bastide 2005-06-23 Provides support for RE Coordinators who are trying to get religious education properly established in their primary schools. The text focuses upon issues of planning, implementing and resourcing and aims to be a user-friendly guide.

Encyclopedia of Buddhism Damien Keown 2013-12-16 Reflects the current state of scholarship in Buddhist Studies, its entries being written by specialists in many areas, presenting an accurate overview of Buddhist history, thought and practices, most entries having cross-referencing to others and bibliographical references. Contain around 1000 pages and 500,000 words, totalling around 1200 entries.

Blue Jean Buddha Sumi Loundon Kim 2013-02-08 In an age when the Dalai Lama's image has been used to sell computers, rock stars have used tantra to enhance their image, and for many, Nirvana calls to mind a favorite band, what does Buddhism mean to twenty-somethings? *Blue Jean Buddha* offers real stories about young Buddhists in their own words that affirm and inform the young adult Buddhist experience. This one-of-a-kind book is about the experiences of young people in America-from their late teens to early thirties-who have embraced Buddhism. Thirty-three first-person narratives reflect on a broad range of life-stories, lessons, and livelihood issues, such as growing up in a Zen center, struggling with relationships, caring for the dying, and using marathon running as meditation. Throughout, up-and-coming author Sumi Loundon provides an illuminating context for the tremendous variety of experiences shared in the book. *Blue Jean Buddha* was named a finalist in the 2002 Independent Publisher Book Awards (Multicultural Non-Fiction - Young Adult) as well in NAPRA's Nautilus Awards, in the Personal Journey/Memoir/Biography category.

Blue Jean Buddha Sumi Loundon 2001-06-15 Young Buddhists share their stories of living in the footsteps of the Buddha, each reflecting on the difficulties and joys found in this ancient philosophy. Original.

AHA! No More Shame and Guilt Tai Sheridan 2013-06-17 Shame and guilt destroy your ability to love and respect yourself. AHA! No More Shame & Guilt presents short contemplative verses to create a sense of immediacy and insight into your deepest authentic self, and to help free you from gut wrenching and life killing shame and

guilt. The book is short so that you can 'get it' quickly and repair your sense of wholeness, authenticity, and well being. The Dancing Pig Wisdom books are a natural follow up to the five Buddha in Blue Jeans books, which make esoteric Buddhist wisdom practices easily accessible and digestible by transforming the language of Buddhism into plain-as-day images and metaphors, by focusing on the most essential teachings, and by presenting no more than a very busy person can digest in a single sitting. The Dancing Pig books do the same with a modern psychological approach to wholeness and well being.

Daily Doses of Wisdom Josh Bartok 2013-08-19 Daily Doses of Wisdom draws on the richness of Buddhist writings to offer a spiritual cornucopia that will illuminate and inspire day after day, year after year. Sources span a spectrum from ancient sages to modern teachers, from monks to laypeople, from East to West, from poetry to prose. Each page, and each new day, reveals another gem carefully selected from the entire list of titles published by Wisdom.

The Spiritual Imagination of the Beats David Stephen Calonne 2017-08-17 The Spiritual Imagination of the Beats is the first comprehensive study to explore the role of esoteric, occult, alchemical, shamanistic, mystical and magical traditions

in the work of eleven major Beat authors. The opening chapter discusses Kenneth Rexroth and Robert Duncan as predecessors and important influences on the spiritual orientation of the Beats. David Stephen Calonne draws comparisons throughout the book between various approaches individual Beat writers took regarding sacred experience - for example, Burroughs had significant objections to Buddhist philosophy, while Allen Ginsberg and Jack Kerouac both devoted considerable time to studying Buddhist history and texts. This book also focuses on authors who have traditionally been neglected in Beat Studies - Diane di Prima, Bob Kaufman, Philip Lamantia and Philip Whalen. In addition, several understudied work such as Gregory Corso's 'The Geometric Poem' - inspired by Corso's deep engagement with ancient Egyptian thought - are given close attention. Calonne introduces important themes from the history of heterodoxy - from Gnosticism, Manicheism and Ismailism to Theosophy and Tarot - and demonstrates how inextricably these ideas shaped the Beat literary imagination.

The Ocean of Buddhist Wisdom Satyaprakāśa Śarmā 2009 Papers presented at the annual conferences of the Indian Society for Buddhist Studies, held at various places beginning in 2001.
